ELIGIBILITY -WHO?

The Façade Grant Program in downtown Hendersonville applies to properties in the Main Street Municipal Service District and the Seventh Avenue Municipal Service District. Properties within the Main Street Local Historic District are eligible for additional grant funding through the Historic Preservation Commission. A map is provided to determine eligibility.

district boundaries

- Any property owner or business tenant in the downtown Hendersonville Main Street or Seventh Avenue Municipal Service Districts and/or the Hendersonville Main Street Local Historic District is eligible.
- Only buildings whose current or historic use is commercial are eligible for the Façade Grant program.
- Only one application may be submitted for each storefront or facade. A property owner, a building's business tenant or an owner and tenant jointly, may submit a Façade Grant application.
- If a building has multiple facades, each tenant with a separate entrance may apply. Where a single tenant occupies multiple facades, the tenant is eligible for one application per façade.
- If the building is classified as historically significant per the Architectural Survey in establishing the historic district, exterior critical maintenance, including roof, cornice, windows, and chimney repair may be considered up to a maximum in matching grant funding as listed below.

Historic Preservation Tax Credits

Main Street and 7th Avenue are both in Nationally Registered Historic Districts. This means buildings within those districts may qualify for historic tax credits for building rehabilitation.

Owners and developers may potentially receive a 20% federal income tax credit and a 15-25% state income tax credit for certified rehabilitation of income-producing historic structures.

EXAMPLE FOR INCOME-PRODUCING PROPERTIES

\$1 million Rehabilitation Expenses
x 20% Federal Tax Credit
x 15% Base Level State Tax Credit

\$350,000 Tax Credit Amount
