### SUMMARY:

The City Clerk has prepared information outlining vacancies for the newly formed Downtown Advisory Board. Terms are staggered and are set to expire in June of each year to coincide with the schedule of appointments. In order to accomplish initial staggered terms, you will notice an additional 5-months added to the terms to account for service from February 2021 through June 2021.

All current members of the Downtown Mainstreet Advisory Committee and Seventh Avenue Advisory Committee have indicated they wish to continue their service on the newly formed Downtown Advisory Board. City Council has received two additional applications of interest from Becky Ayers and Mark Pavao which will be distributed to City Council Members for consideration.

There will be three vacancies left open awaiting new applicants for the standard June cycle in which the City Clerk will solicit and advertise for interest and present back to City Council at their May meeting for consideration.
