AGENDA SECTION: CONSENT **DEPARTMENT:** Public Works

TITLE OF ITEM: *Resolution Approving Design, Bidding, and Construction Engineering and Inspection for the Repairs to the Exterior of City Hall – Tom Wooten, Director of Public Works*

SUGGESTED MOTION(S):

I move City Council to adopt the Resolution By the City Council to select SKA Consulting Engineers, INC as most qualified to provide design, bidding, and construction engineering and inspection services and authorize the City Manager to negotiate and execute a Contract for the Repairs to the Exterior of City Hall.

SUMMARY: City staff have worked with SKA Consulting Engineers, INC and Western Specialty Contractors to complete the Year 1 repairs to City Hall. Additional repairs are needed so staff issued an RFQ for Design, Bidding, and Construction Engineering and Inspections Services for the remaining repairs. Two firms submitted proposals, those proposals were evaluated and SKA Consulting Engineers, INC was ranked the highest followed by Terracon Consultants, INC. Staff would like to proceed with this process and request approval of the proposed Resolution.
