AGENDA ITEM SUMMARY
PLANNING DIVISION**

SUBMITTER: Tyler Morrow

MEETING DATE: February 7th 2024

AGENDA SECTION: Public Hearing

DEPARTMENT: Community Development

TITLE OF ITEM: Rezoning: Standard Rezoning–799 S. Grove Street (P23-95-RZO) –Tyler Morrow, Planner II

SUGGESTED MOTION(S):

For Approval:

I move City Council **adopt** an ordinance amending the official zoning map of the City of Hendersonville changing the zoning designation of the subject property (PIN: 9578-14-0598) from R-15 Medium Density Residential Zoning District to C-2 Secondary Business Zoning District based on the following:

1. The petition is found to be consistent with the City of Hendersonville 2030 Comprehensive Plan based on the information from the staff analysis and the public hearing, and because:

The subject property is designated as a “Priority Infill Area” in the comprehensive plan which are areas that are considered a high priority for the City to encourage infill development on remaining vacant lots and redevelopment of underutilized or underdeveloped properties. The High Intensity Neighborhood designation also calls for offices and retail along thoroughfares as a secondary recommended land use.

2. We [find] this petition to be reasonable and in the public interest based on the information from the staff analysis and the public hearing, and because:

1. C-2 zoning is present all along the Grove Street corridor north of the property until the zoning transitions to CMU at the intersection of S. Grove Street and E. Caswell Street.

For Denial:

I move City Council **deny** an ordinance amending the official zoning map of the City of Hendersonville changing the zoning designation of the subject property (PIN: 9578-14-0598) from R-15 Medium Density Residential Zoning District to C-2 Secondary Business Zoning District based on the following:

1. The petition is found to be consistent with the City of Hendersonville 2030 Comprehensive Plan based on the information from the staff analysis and the public hearing, and because:

The High Intensity Neighborhood designations also calls for offices and retail along thoroughfares as a secondary recommended land use.

2. We [do not find] this petition to be reasonable and in the public interest based on the information from the staff analysis and the public hearing, and because:

1. The proposed rezoning removes a piece of the remaining R-15 residential pocket along Hillview Blvd that is nestled between C-3 to the south and C-2 to the north.

<p>2. The proposed rezoning to C-2 could lead to infill commercial development on a long vacant and underutilized property.</p> <p>[DISCUSS & VOTE]</p>	<p>[DISCUSS & VOTE]</p>
