Authorized Scope of Work

SCOPE OF WORK: Recipient(s) agrees to undertake, prosecute and complete the Scope of Work (SOW) for this Project funded by this Award which SOW is approved and agreed to by the Government as subsequently amended in mutually agreed upon written change order(s) and/or SOW amendment(s), if any. The SOW shall be as set forth and described in a.) the application submitted by Recipient(s) and/or Recipient's authorized representative(s) to the Government for this Award together with b.) all enclosures, materials, documents and other submittals accompanying and supporting the application, c.) all additional materials, documents and/or correspondence requested by the Government and submitted by Recipient(s) and/or Recipient's authorized representative(s) in support and furtherance of the application and d.) such change(s) and/or SOW amendments, if any, requested in writing by the Recipient(s) and/or Recipient's authorized representative subsequent to the date of this Award and approved and agreed to in writing by the Government. To the extent such additional materials, documents and/or correspondence amends and/or clarifies the application, such amendment or clarification shall be controlling. It is agreed that the Recipient(s) and Government intend that the SOW describes a discrete, detailed and specific project that is funded and authorized by this Award and to that end the application and the above-described additional information shall be fairly construed to and shall describe the SOW. As more particularly described in the items B-1 and B-2 of the ED-900 of the grantee's application.

The proposed project will increase the City of Hendersonville's wastewater treatment plant capacity to 6.0 MGD from its current capacity of 4.8 MGD. Specifically, the proposed project includes aeration basin improvements, blower building improvements, secondary clarifier improvements and Tertiary Filter No. 2 Replacement.
