To the City Council and
Members of Management
City of Hendersonville
160 6th Ave E
Hendersonville, NC 28792

Agreement to Provide Services

This agreement to provide services (the “Agreement”) is intended to describe the nature and scope of our services.

Objectives and Scope of the Audit

As agreed, Gould Killian CPA Group, P.A. (“GK” or “we”) will audit the financial statements of the governmental activities, business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information, including the related notes to the financial statements, which collectively comprise the basic financial statements, of City of Hendersonville as of and for the year ended June 30, 2025. Accounting standards generally accepted in the United States of America provide for certain required supplementary information (RSI), such as management’s discussion and analysis (MD&A), to supplement City of Hendersonville’s basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to City of Hendersonville’s RSI in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management’s responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

1. Management’s Discussion and Analysis
2. Required schedules for Law Enforcement Officers’ Special Separation Allowance

3. Required schedules for the Local Government Employees' Retirement System
4. Required schedules for Other Postemployment Benefits

We have also been engaged to report on supplementary information other than RSI that accompanies City of Hendersonville's financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. We will provide an opinion on it in relation to the financial statements as a whole, in a separate written report accompanying our auditor's report on the financial statements:

1. Combining and individual fund statements, budgetary schedules, other schedules
2. Schedule of expenditures of federal and state awards (when applicable)

The introductory and statistical sections will not be subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we will not express an opinion or provide any assurance on them.

Audit Objectives

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinions about whether your financial statements are fairly presented, in all material respects, in conformity with GAAP, and report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually-or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements. The objectives also include reporting on —

- Internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.
- (Only if a single audit is determined to be required) – internal control over compliance related to major programs and an opinion on compliance with federal statutes, regulations, and the terms and conditions of federal and state awards that could have a direct and material effect on each major program in accordance with Single Audit Act Amendments of 1996 and *Title 2 U.S. Code of Federal Regulations (CFR) part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)*.

Auditor's Responsibilities for the Audit of Financial Statements and Single Audit (if applicable)

We will conduct our audit in accordance with GAAS; the standards for financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; and the provisions of the Uniform Guidance, and will include tests of accounting records, a determination of major program(s) in accordance with the Uniform Guidance, and other procedures we consider necessary to enable us to express such opinions. As part of an audit in accordance with GAAS and *Government Auditing Standards*, we will exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the government or to acts by management or employees acting on behalf of the government. Because the determination of waste and abuse is subjective, *Government Auditing Standards* do not expect auditors to perform specific procedures to detect waste or abuse in financial audits nor do they expect auditors to provide reasonable assurance of detecting waste or abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements or noncompliance may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or major programs. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will bring these misstatements to your attention as proposed adjustments. At the conclusion of our audit we will communicate to those charged with governance (as defined below) all uncorrected misstatements. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential, and of any material abuse that comes to our attention. We will include such matters in the reports required for a Single Audit, if applicable. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the government's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry.

We have identified the following significant risk of material misstatement as part of our audit planning:

1. Management's override of internal controls

Audit Procedures—Internal Control

We will obtain an understanding of the City and its environment, including internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and to obtain evidence sufficient and appropriate to provide a basis for our opinions. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, intentional omissions, misrepresentation, or the override of internal control. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by Uniform Guidance (if a Single Audit is required), we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal and state award program, as required by the Uniform Guidance. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and the Uniform Guidance.

Audit Procedures—Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the City of Hendersonville's compliance with provisions of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

If a Single Audit is required, the Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal statutes, regulations, and the terms and conditions of federal and state awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of the City of Hendersonville's major programs. For federal programs that are included in the Compliance Supplement, our compliance and internal control procedures will relate to the compliance requirements that the Compliance Supplement identifies as being subject to an audit. The purpose of these procedures will be to express an opinion on the City of Hendersonville's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

Management Responsibilities for the Financial Statements and Single Audit (if applicable)

Our audit will be conducted on the basis that you (management) acknowledge and understand that you are responsible for (1) establishing and maintaining effective internal controls, including internal controls over federal awards, and for evaluating and monitoring ongoing activities, to help ensure that appropriate goals and objectives are met; (2) following laws and regulations; (3) ensuring that there is reasonable assurance that City programs are administered in compliance with compliance requirements; and (4) ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles; for the preparation and fair presentation of the financial statements, schedule of expenditures of federal and state awards, and all accompanying information in conformity with U.S. generally accepted accounting principles; and for compliance with applicable laws and regulations (including federal statutes) and the provisions of contracts and grant agreements (including award agreements). Your responsibilities also include identifying significant contractor relationships in which the contractor has responsibility for program compliance and for the accuracy and completeness of that information.

Management is also responsible for making all financial records and related information available to us and for the accuracy and completeness of that information. You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, (2) access to personnel, accounts, books, records, supporting documentation, and other information as needed to perform an audit under *Government Audit Standards* and under Uniform Guidance, (3) additional information that we may request for the purpose of the audit, and (4) unrestricted access to persons within the City from whom we determine it necessary to obtain audit evidence.

Management's responsibilities also include identifying and informing us of significant contractor relationships in which the contractor is responsible for program compliance and for the accuracy and completeness of that information.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the City involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the City received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the City complies with applicable laws, regulations, contracts, agreements, and grants. Management is also responsible for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts, and grant agreements, or abuse that we report. Additionally, as required by the Uniform Guidance, it is management's responsibility to evaluate and monitor noncompliance with federal statutes, regulations, and the terms and conditions of federal and state awards; take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings; promptly follow up and take corrective action on reported audit findings; and prepare a summary schedule of prior audit findings and a separate corrective action plan.

If a Single Audit is required, you are responsible for identifying all federal and state awards received and understanding and complying with the compliance requirements and for the preparation of the schedule of expenditures of federal and state awards (including notes and noncash assistance received, and COVID-19

related concepts, such as lost revenues, if applicable) in conformity with the Uniform Guidance. You agree to include our report on the schedule of expenditures of federal and state awards in any document that contains and indicates that we have reported on the schedule of expenditures of federal and state awards. You also agree to include the audited financial statements with any presentation of the schedule of expenditures of federal and state awards that includes our report thereon OR make the audited financial statements readily available to intended users of the schedule of expenditures of federal and state awards no later than the date the schedule of expenditures of federal and state awards is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the schedule of expenditures of federal and state awards in accordance with the Uniform Guidance; (2) you believe the schedule of expenditures of federal and state awards, including its form and content, is stated fairly in accordance with the Uniform Guidance; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the schedule of expenditures of federal and state awards.

You are also responsible for the preparation of the other supplementary information, which we have been engaged to report on, in conformity with U.S. generally accepted accounting principles. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon OR make the audited financial statements readily available to users of the supplementary information no later than the date the supplementary information is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions, for the report, and for the timing and format for providing that information.

You agree to assume all management responsibilities relating to the financial statements, schedule of expenditures of federal and state awards, and related notes, and any other non-audit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements, schedule of expenditures of federal and state awards, and related notes and that you have reviewed and approved the financial statements, schedule of expenditures of federal and state awards, and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the non-audit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

Reproduction of Audit Report

If the City plans any reproduction or publication of a document that includes our report, or any portion of it, and that is assembled differently from any paper or electronic version that we have previously reviewed (e.g., by the addition of financial statements and/or accompanying information that you have produced), a copy of the entire document in its final form should be submitted to us in sufficient time for our review and written approval before printing. You also agree to provide us with a copy of the final reproduced material for our written approval before it is distributed. If, in our professional judgment, the circumstances require, we may withhold our written approval.

Posting of Audit Report and Financial Statements on Your Website

You agree that, if you plan to post an electronic version of the financial statements and audit report on your website, you will ensure that there are no differences in content between the electronic version of the financial statements and audit report on your website and the signed version of the financial statements and audit report provided to management by GK. You also agree to indemnify the GK from any and all claims that may arise from any differences between the electronic and signed versions.

Review of Documents In Connection With Offering of Sale of Debt

The audited financial statements and our report thereon should not be provided or otherwise made available to lenders, other financial institutions or sources of financing, or others (including advisors to such parties) in connection with any document to be used in the process of obtaining capital, including, without limitation, by means of the sale of securities (including securities offerings on the Internet) without first submitting copies of the document to us in sufficient time for our review and written approval. If, in our professional judgment, the circumstances require, we may withhold or condition our written approval.

Availability of Records and Personnel

You agree that all records, documentation, and information we request in connection with our audit will be made available to us (including those pertaining to related parties), that all material information will be disclosed to us, and that we will have the full cooperation of, and unrestricted access to, your personnel during the course of the engagement.

You also agree to ensure that any third-party valuation reports that you provide to us to support amounts or disclosures in the financial statements (a) indicate the purpose for which they were intended, which is consistent with your actual use of such reports; and (b) do not contain any restrictive language that would preclude us from using such reports as audit evidence.

Assistance by Your Personnel

We also ask that your personnel prepare various schedules and analyses for our staff. However, except as otherwise noted by us, no personal information other than names related to City employees and/or customers should be provided to us. In addition, we ask that you provide high-speed Internet access to our engagement team, if practicable, while working on the City's premises. This assistance will serve to facilitate the progress of our work.

Peer Review Reports

Government Auditing Standards requires that we provide you with a copy of our most recent quality control review report. Our latest peer review report accompanies this letter.

Other Services

We are always available to meet with you and members of City Council at various times throughout the year to discuss current business, operational, accounting, and auditing matters affecting the City. Whenever you feel such meetings are desirable, please let us know. We are also prepared to provide services to assist you in any of these areas. We will also be pleased, at your request, to attend governing board meetings.

We will also assist in preparing the financial statements, schedule of expenditures of federal and state awards (if applicable), and related notes of City of Hendersonville in conformity with U.S. generally accepted accounting principles based on information provided by you. These non-audit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. The other services are limited to the financial statement services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

At the conclusion of the engagement, we will complete the appropriate sections of the Data Collection Form that summarizes our audit findings (if applicable). It is management's responsibility to electronically submit the reporting package (including financial statements, schedule of expenditures of federal and state awards, summary schedule of prior audit findings, auditor's reports, and corrective action plan) along with the Data Collection Form to the federal audit clearinghouse. We will coordinate with you the electronic submission and certification. The Data Collection Form and the reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditor's reports or nine months after the end of the audit period.

Independence

Professional and certain regulatory standards require us to be independent, in both fact and appearance, with respect to the City in the performance of our services. Any discussions that you have with personnel of GK regarding employment could pose a threat to our independence. Therefore, we request that you inform us prior to any such discussions so that we can implement appropriate safeguards to maintain our independence.

In order for us to remain independent, professional standards require us to maintain certain respective roles and relationships with you with respect to the non-attest services described above. Prior to performing such services in conjunction with our audit, management must acknowledge its acceptance of certain responsibilities.

We will not perform management functions or make management decisions on behalf of the City. However, we will provide advice and recommendations to assist management of the City in performing its functions and fulfilling its responsibilities.

The City agrees to perform the following functions in connection with our performance of the financial statement services:

- a. Make all management decisions and perform all management functions with respect to the financial statement services provided by us.
- b. Assign Krystal Powell to oversee the financial statement services and evaluate the adequacy and results of the services.
- c. Accept responsibility for the results of the financial statement services.

The services are limited to those outlined above. We, in our professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as making management decisions or performing management functions. The City must make all decisions with regard to our recommendations. By signing this Agreement, you acknowledge your acceptance of these responsibilities.

Engagement Administration, Fees, and Other

We will provide copies of our reports to the members of City Council of the City of Hendersonville; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

Many banks have engaged a third party to electronically process cash or debt audit confirmation requests, and certain of those banks have mandated the use of this service. Further, such third party confirmation processors also provide for the electronic (and manual) processing of other confirmation types (e.g., legal, accounts receivable, and accounts payable). To the extent applicable, the City hereby authorizes GK to participate in such confirmation processes, including through the third party's website (e.g., by entering the City's bank account information to initiate the process and then accessing the bank's confirmation response), and agrees that GK shall have no liability in connection therewith.

The audit documentation for this engagement is the property of Gould Killian CPA Group, P.A. and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to the North Carolina Local Government Commission or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Gould Killian CPA Group, P.A. personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date or for any additional period requested by the federal or state oversight agency. If we are aware that a federal awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

We expect to begin our audit in June 2025 and to issue our reports no later than December 31, 2025. Travis S. Keever is the engagement partner and is responsible for supervising the engagement and signing the reports or authorizing another individual to sign them.

Our fixed charges to the City for the services described above of \$52,950 are expected to be \$44,450 for the financial statement audit and \$8,500 for financial statement preparation. An additional variable fee of \$4,200 per major program will be charged should a federal and/or state single audit be necessary.

The fees are based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. We anticipate the time necessary to complete your audit will approximately 375 hours in total. If significant additional time is necessary (over 400 hours), we will discuss it with you and arrive at a new fee estimate before we incur the additional costs. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation.

This fee structure does not take into consideration effects that any future standards promulgated by the Governmental Accounting Standards Board and/or other professional bodies will have on our audit procedures. As we become aware of additional audit procedures resulting from these circumstances, we will notify you of the situation and the estimated additional cost.

As a result of future services to you, we might be requested or required to provide information or documents to you or a third party in a legal, administrative, arbitration, or similar proceeding in which we are not a party. If this occurs, our efforts in complying with such requests will be deemed billable to you as a separate engagement. We shall be entitled to compensation for our time and reasonable reimbursement for our expenses (including legal fees) in complying with the request. For all requests we will observe the confidentiality requirements of our profession and will notify you promptly of the request.

Reporting

We will issue written reports upon our completion of the audit. Our reports will be address to the members of the City Council for the City of Hendersonville, North Carolina. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions or add emphasis-of-matter or other-matter paragraphs to our auditor's report, or if necessary, withdraw from this engagement. If our opinions on the financial statements or the Single Audit compliance opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or to issue reports, or may withdraw from this engagement.

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will include a paragraph that states that (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. If applicable, the Uniform Guidance report on internal control over compliance will include a paragraph that states that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.

We believe the foregoing letter accurately summarized the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please acknowledge this by signing and returning to us a copy of this Agreement and retaining a copy for your files. We will forward the signed engagement letter and LGC contract to the Local Government Commission.

Very truly yours,

Travis S. Keever
Certified Public Accountant
