Chapter 4 - The Vision for the Future	Consistent		
GOALS			
VIBRANT NEIGHBORHOODS (Pg. 93)			
Promote lively neighborhoods that increase local safety.	Consistent		
Enable well-maintained homes, streets, and public spaces.	Consistent		
Promote diversity of ages (stage of life), income levels, and a range of interests.	Consistent		
The design allows people to connect to nearby destinations, amenities, and services.	Somewhat Consistent		
Abundant Housing Choices (Pg. 93)			
Housing provided meets the need of current and future residents.	Consistent		
Range of housing types provided to help maintain affordability in Hendersonville.	Consistent		
Housing condition/quality exceeds minimum standards citywide	Consistent		
Healthy and Accessible Natural Environment (Pg. 94)			
Recreational (active and passive) open spaces are incorporated into the development.	Consistent		
Water quality is improved with the conservation of natural areas that serve as filters and soil stabilizers.	Consistent		
Natural system capacity (floodplains for stormwater; habitats to support flora/fauna; tree canopy for air quality,			
stormwater management, and microclimate) is maintained.	Consistent		
Development is compact (infill/redevelopment) to minimize the ecological footprint.	Somewhat Consistent		
New development respects working landscapes (e.g., orchards, managed forests), minimizing encroachment.	Consistent		
Authentic Community Character (Pg. 94)			
Downtown remains the heart of the community and the focal point of civic activity	Consistent		
A development near a gateway sets the tone, presenting the image/brand of the community.	NA		
Historic preservation is utilized to maintain the city's identity.	NA		
A development is considered a quality development that preserves the city center or neighborhood.	Consistent		
Safe Streets and Trails (Pg. 95)			
Interconnectivity is promoted between existing neighborhoods through the building out of street networks,			
including retrofits and interconnectivity of new developments.	Somewhat Consistent		
Access is increased for all residents through the provision of facilities that promote safe walking, biking, transit,			
automobile, ride share, and bike share.	Consistent		
Design embraces the principles of walkable development.	Consistent		
Reliable & Accessible Utility Services			
A compact service area (infill, redevelopment) maximizes the utilization of existing infrastructure and feasible			
service delivery.	Consistent		
Satisfying Work Opportunities (pg. 96)			
The development promotes quality job options.	Consistent		
Welcoming & Inclusive Community			

Accessible & Available Community Uses and Services (Pg. 97) Private development is plentiful, meeting the demands of current and future populations. Resilient Community N/A GUIDING PRINCIPALS (pg. 98) Revitalization of Outdated Commercial Areas New business and office space promotes creative hubs. Compact Development (Pg. 100) Development is consistent with efforts in the area to establish 15-minute neighborhoods. Consistent Consistent Consistent Consistent Consistent Consistent The infill project is context sensitive. Consistent Sense of Place (Pg. 102) The development contributes to Hendersonville's character and the creation of a sense of place through its architecture and landscape elements.	Accessibility exceeds minimum standards of ADA, fostering residents' and visitors' sense of belonging.	Consistent
