Ms. Hunt

I am requesting approval for a circular driveway and to restore the previous side driveway at 1420 Ridgecrest Drive. The circular driveway is consistent with the neighborhood, as the following houses in Hyman heights document

- 1) 1401 Crescent (next door)
- 2) 322 Killarney Street, (The Killarney house)
- 3) 1210 Oakland street
- 4) 1225 Highland Ave, (The old hospital)
- 5) 415 Crescent Ave
- 6) 1242 Hyman Ave

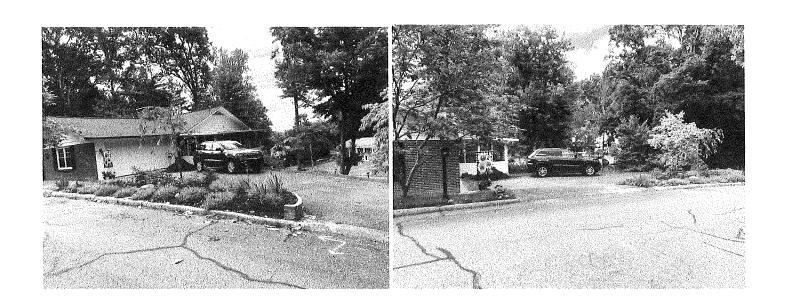

Additionally, a circular driveway is needed as my husband is disabled and requires assistance getting to and from the car.

Previously, the house had a driveway on the right side of the house which I plan to restore.

My contractor Dan Chapman, owner of Hands on Construction will be managing the cement contractor we choose. You can contact him at (828)606-3276 with questions or concerns. Additionally you can contact me, Patsy Stewart with questions at (520)975-3614.

Thank you for giving this your consideration,

Patsy Stewart
