

**Mud Creek Watershed  
Planning Grant Match Campaign  
Deadline for submission: July 1, 2026**

**PLEDGE FORM**

Conserving Carolina has been awarded a Planning Grant from the North Carolina Land and Water Fund. This grant encourages local participation and commitment by requiring a matching contribution. Conserving Carolina seeks to raise at least \$25,000 from the public to meet the local match. To date we have secured \$9,000 of the \$25,000 needed to match the grant.

The purpose of this pledge is to support planning efforts for improvements to the Mud Creek Watershed (also known as Oklawaha) in Henderson County. These efforts aim to mitigate flooding through conservation, stream and wetland restoration, and stormwater improvements. The resulting designs will help reduce impairment and minimize impacts on land, businesses, and infrastructure.

**Pledge Commitment:** I/we, \_\_\_\_\_, hereby pledge \$\_\_\_\_\_ to be used as part of the Planning Grant match.

**Payment Terms:** Payment will be needed within 60 days of request by Conserving Carolina and no later than December 31, 2026.

Your contribution is tax-deductible to the extent allowed by law.

**Donor Signature(s):**
