**SUMMARY:** *The City of Hendersonville received annexation petitions for these 5 parcels in order to connect to City water and sewer. The public hearing and vote on this annexation is set for June 1<sup>st</sup>, 2023. The County zoning can remain in effect on the subject property for 60 days after the annexation. The City wants to ensure that City zoning is assigned to this property (if annexed) in as an efficient way possible. The City Planning Department is proposing that the initial City zoning of this property should be City of Hendersonville I-1. The property is currently zoned Henderson County Industrial.*

*The City of Hendersonville Zoning Ordinance states that, during a standard rezoning process, an applicant is prohibited from discussing the specific manner in which they intend to develop or use a site. However, the developer of this property does have previously vested rights through approvals obtained through Henderson County Planning, Building Inspections and Erosion Control.*

*If rezoned, all permitted uses within the I-1 district would be allowed on the site.*
