SUBJECT: SRP Funding Offer
Collection System AIA Master Plan Update
Project No. AIA-W-0311

Dear Mr. Steurer:

The City of Hendersonville has been approved for funding assistance according to the subject funding offer. This offer is made subject to the Assurances and Conditions set forth in the Offer and Acceptance Document. Enclosed are two (2) copies of an offer-and-acceptance document, extending funding in the amount of \$150,000. Funds will not be disbursed unless this offer is accepted.

Upon your acceptance, please submit the following items via Laserfiche at the following link: <https://edocs.deq.nc.gov/Forms/DW-Document-Upload-Form>.

1. One (1) copy of the original offer-and-acceptance document, executed by the Authorized Representative for the project, along with the signed "Standard Conditions and Assurances" for SRP Projects. **Please retain the second copy for your files.**
2. 1.5% Fee invoice (attached) and payment.
3. A resolution (sample copy attached), adopted by the governing body, accepting the offer, and making the applicable assurances contained therein.
4. Sales Tax Certification, if applicable (attached).
5. One (1) copy of all executed service agreements and/or contracts.

All work associated with this project must be completed within the approved milestone schedule as shown on your Letter of Intent to Fund or per the latest approved Funding Deadline Extension.

Once the subject project has commenced, the enclosed “AIA/MRF Disbursement Request Form” must be completed and submitted with each disbursement request along with the associated invoices, sales tax certificate (if applicable), and project progress reports. A reference copy of the Disbursement Request Form has been enclosed for your convenience. You are free to reproduce this form should additional copies be needed. Additional information and template forms can be found on DWI’s website under the “I Have Funding – Construction and Disbursement” page.

Please be aware that all Disbursement Requests must be submitted through the Division’s EBS system as of **July 1, 2025**. If you have not already, you will be required to apply for an NCID log-in in order to access our EBS system. You can find all the appropriate information for gaining access to the EBS system on our website at the following link: <https://www.deq.nc.gov/construction-disbursement-funds>.

As a reminder, a memorandum requesting your federal identification number was included with the Letter of Intent to Fund. You must complete and submit this form no later than the time when you choose to submit your first request for disbursement.

On behalf of the Department of Environmental Quality, I am pleased to extend this offer of SRP funds, made available by the North Carolina Water Infrastructure Fund. Should you have any questions concerning this offer of funding, or any of the stipulations outlined in this offer package, please contact Catherine Renbarger at catherine.renbarger@deq.nc.gov or (919) 707-3198.

Sincerely,

STANDARD CONDITIONS AND ASSURANCES FOR SRP AIA GRANTS

1. The Subrecipient acknowledges that no disbursements will be made until the 1.5% fee has been received by the Division of Water Infrastructure (Division).
2. If the project is co-funded with Federal funding sources (e.g., State Revolving Funds, CDBG-Infrastructure, American Rescue Plan Act), the conditions and assurances of the Federal funding program will also apply.
3. The Subrecipient acknowledges that no disbursements will be made until applicable service agreements or contracts are submitted. The description of work listed on invoices must be included in the scope of work shown on the agreements or contracts.
4. All projects must comply with North Carolina General Statute 143-64.31, Article 3D Procurement of Architectural, Engineering, and Surveying Services. Any services provided that were not selected in compliance with state requirements will be ineligible for disbursement.
5. The Subrecipient is responsible for paying for ineligible project costs as determined by the Division.
6. The Subrecipient agrees to establish and maintain a financial management system that adequately accounts for revenues and expenditures. Adequate accounting and fiscal records must be maintained during the project and these records must be retained and made available for a period of at least three (3) years following completion of the project.
7. Partial disbursements will be made promptly upon request, subject to adequate documentation of incurred eligible costs and grant match, and the Subrecipient's compliance with the conditions and assurances of this grant. Requests for disbursement must be made using the Division's disbursement form.
8. All funds provided pursuant to North Carolina General Statute 159G must be expended solely for carrying out the approved project, and an audit shall be performed in accordance with G.S. 159-34, as amended. **The Subrecipient must expend all of the requisitioned funds for the purpose of paying the costs of the project within three (3) banking days following the receipt of the funds from the State.** Please note that the State is not a party to any contract(s) and the Subrecipient is expected to uphold its contract obligations regarding timely payment.
9. Payment of the sums specified herein are subject to and contingent upon the availability, allocation, and appropriation of funds to the Department of Environmental Quality by the State or Federal government.
10. The Subrecipient, if a local government unit or public authority, must comply with the requirements of NC GS 159-34 in having its accounts audited each fiscal year and to submit a copy of the audit report to the Secretary of the Local Government Commission by the established deadlines. Failure to comply with these requirements may result in delays in disbursement of the funds to the Subrecipient and/or the rescission of this Funding Offer.
11. Local government units designated as distressed must complete associated requirements of statute §159G-45(b).
12. The Subrecipient must provide summaries of project progress every other month during the project or as otherwise directed by the Division.
13. The Subrecipient must provide a digital copy of the final report in a universally readable format. If a project includes updating or developing a GIS database or shapefiles, at a minimum the current utility service boundaries must be provided as a polygon shapefile, including any service gaps within the boundary.
14. The Subrecipient must provide an executive level summary of the work performed, any conclusions made, and the next steps to be taken as a result of this work.
15. The Subrecipient must provide approved minutes or a resolution confirming the final report has been presented to the Subrecipient's governing board.
16. A maximum of 95% of the grant will be paid prior to receipt of the documentation described in Standard Condition and Assurance Nos. 12, 13, and 14. After receipt of this documentation, the final disbursement request will be processed.
