### 5. OLD BUSINESS

#### 1. Friday Main Street Car Shows- Event Review

Lewis with the Apple Country Corvette Club spoke regarding the car show. The corvette club has been a part of the Music on Main event, in the past, they alternated weeks with the Carolina Mountain Classic Car Club. The classic car club is planning to be a part of each Music on Main show, and the corvette club would like to participate by extending to the court house. This was discussed at the April meeting but there was not a representative of the Corvette Club to speak and they were asked to come to the May meeting.

Corvette Club is proposing that if there is not a significant number of vehicles they will reopen the block for additional parking and traffic flow. The club also proposes reducing their closure to every other week.

Concerns from the board include access for customer parking.

Joe Dinan Motion for to recommend the Corvette Club application to extend the closure to 2nd Avenue, leaving avenues open every other week. This includes June 10, 24, July 22, August 5, 19. Jerry Fitzgerald seconded. A roll call vote was taken: Mark Pavao, Walt Slagel, John Ryan, Jerry Fitzgerald, Julie Buckman, Chris Cormier, Matthew Hickman and Joe Dinan voted to approve.

## **7. OTHER BUSINESS**

### **1. Sidewalk Dining Ordinance - Staff Update**

Jamie updated that she is working with the City Attorney on updating the sidewalk dining ordinance to allow food/beverage businesses instead of restaurants and the physical structure/outdoor expansion. The City of Raleigh has updated their ordinance similarly so we are using that to guide the process. There will be minimal change to the ordinance but with a guide for the physical structures.

Code enforcement for current outdoor dining will ramp up along with renewals in 2022.
