Dear Customer:

Raw material cost increases were recently issued by the Producers of Chlorine. It is necessary for us to pass those increases on to our customers.

Effective **April 15, 2026** your Chlorine Tons price must increase to **\$2,214** Each. All other terms & conditions will remain the same.

Please know that while we do everything in our power to keep increases to a minimum, we have no control over Producer operations or raw material cost increases.

Thank you for your continued cooperation and understanding.

Sincerely,

JCI Jones Chemicals, Inc
