

## CITY OF HENDERSONVILLE AGENDA ITEM SUMMARY

---

**SUBMITTER:** Caitlyn  
Gendusa

**MEETING DATE:**

**AGENDA SECTION:** CONSENT

**DEPARTMENT:** Public Works

**TITLE OF ITEM:** Hurricane Helene Disaster Funds for Water & Sewer Vehicles

**SUGGESTED MOTION(S):** I move City County adopt the resolution by the City of Hendersonville City Council accepting a grant from the Community Foundation of Western North Carolina for funds used to offset the cost of deductibles for Water & Sewer vehicles that were flooded from Hurricane Helene.

---

### **SUMMARY:**

Hurricane Helene greatly impacted our ability to fulfill our mission of providing quality services to our community. Our Water and Sewer Department saw water extraction and treatment severely damaged with several millions of dollars in estimated repairs needed. While there are many essential services impacted, Our Water & Sewer operations remains one of the most vital to repair. As such, the \$25,000 awarded through this grant will go towards offsetting the unforeseen cost of replacing 10 Water & Sewer vehicles that were flooded and subsequently totaled as a result of Hurricane Helene. These funds assist in offsetting this cost so more funds can go back to repairing our other essential services for our community.
