CITY COUNCIL
CITY OF HENDERSONVILLE
NOTICE OF PUBLIC HEARING

The City of Hendersonville City Council will hold a public hearing during its regular meeting on **Wednesday, September 23, 2026, at 4:00 p.m**., or as soon thereafter as it may be heard, in the first-floor meeting room of the City Operations Center, 305 Williams St., Hendersonville, NC 28792.

The purpose of the public hearing is to consider the submission of three Community Development Block Grant – Disaster Recovery (CDBG-DR) Applications. The Grant, a Community Development Block Grant – Disaster Recovery is offered through the North Carolina Department of Commerce, Renew NC Community Infrastructure Program, is a competitive grant program that provides funding for infrastructure projects, linked to Hurricane Helene's impacts or mitigation set-asides, that will help impacted communities in western North Carolina become more resilient to current and future natural hazards. The applications are being submitted for three projects directly impacted and damaged by Hurricane Helene, for damage or vulnerability, or for mitigation to improve resilience and reduce long-term risks to life, property, and hardship, as follows:

1. **City of Hendersonville Waste-Water Treatment Flood Mitigation Project.** Relocate, elevate, and flood proof various unit processes at the wastewater treatment plant to mitigate future flooding and increase resiliency to provide stability in the provision of wastewater treatments services to the citizens of the City of Hendersonville. Another purpose of the project is maintaining environmental stream quality during flooding events. The wastewater treatment plant is located at 99 Balfour Road, Hendersonville, NC. In addition to water and sewer system revenues, funding sources applied for include Helene State Revolving Fund, Clean Water State Revolving Fund, FEMA Public Assistance Grant Program, and FEMA Hazard Mitigation Grant Program, and applied for CDBG-DR funds which involves a combination of grant and loan funding, together with insurance proceeds which may have been received, if any. Total engineer's project estimate for the flood mitigation project is estimated to be in excess of $111.0 Million. CDBG-DR funds applied for will be $15.0 Million.

2. **Whitmire Activity Center Restoration Project (Whitmire Project)**. The Whitmire Project involves the demolition and reconstruction of the Whitmire Activity Center (damaged by Helene), located at 310 Lily Pond Road, Hendersonville, NC, to include the restoration and increase resiliency for future weather events for a new activity center which will include a large flexible recreations space, including a warming kitchen, multi-purpose rooms, and for a facility parking lot, and restoration of the shuffle board courts, as well as stream restoration and stormwater management activities. In addition to local tax dollars, anticipated funding sources include only applied for CDBG-DR funds, if awarded. The total project estimate is $4.6 Million. CDBG-DR funds will be applied for in the amount $4.6 Million.

3. **Patton Park Restoration Project (Patton Project)**. The Patton Park Restoration Project involves the demolition and replacement of existing park facilities, damaged by Hurricane Helene, including the Patton Park pool, playground, skate park, pickleball courts, concession stand and restrooms, as well as the reconstruction of parking lots, picnic shelters, basketball courts, and other park facilities, and construction of stream restoration projects, development of a new constructed wetlands and other infrastructure for stormwater management. In addition to local tax dollars, anticipated funding sources include applied for CDBG-DR funds, as well as insurance proceeds. CDBG-DR funds will be applied for in the amount of $15.0 Million.

The application will be submitted by the City of Hendersonville. The public is invited to the September 23, 2026 public hearing to comment on the proposed grant application. After this public hearing, and if the City Council votes to proceed with the grant
application, the City will finalize the application for submission.

Digital/written public hearing comments must be received twenty-four hours prior to the meeting to be considered by the City Council and **must** comply with security criteria in the Council's Public Comment Policy, available on the City's website.

Public hearing comments will also be accepted during the meeting from those attending in person and from those participating live via ZOOM at the designated time at this meeting. For security reasons, screen sharing will not be allowed.
