

CITY OF HENDERSONVILLE AGENDA ITEM SUMMARY

SUBMITTER: Adam Steurer **MEETING DATE:** December 1, 2022
AGENDA SECTION: Consent Agenda **DEPARTMENT:** Utilities
TITLE OF ITEM: Contract Award for Construction of the North Fork Reservoir Dredging Project
– Adam Steurer, Utilities Engineer

SUGGESTED MOTION(S):

I move City Council to adopt the Resolution By the City of Hendersonville to authorize the City Manager to enter into a contract for the construction of the North Fork Reservoir Dredging Project

SUMMARY:

The North Fork Reservoir, located in Pisgah National Forest, has served as a source of drinking water for the utility since the 1920s. Over the years sediment has accumulated within the reservoir, which has reduced storage capacity and infringed on the water intake structure. The project will remove accumulated sediment from the reservoir to allow the utility to continue to utilize this high-quality drinking water source

On November 17, 2022 at 11:00 am sealed formal bids were received for the North Fork Reservoir Dredging project with the following results:

Baker Grading & Landscaping, Inc: \$942,310.00
Shamrock Environmental Corporation: \$1,138,685.30
Tennoca Construction Company: \$2,064,840.00

Formal bids were reviewed by staff for completeness and accuracy. Baker Grading & Landscaping, Inc. was the lowest responsive, responsible bidder in the total bid amount of \$942,310.00.

BUDGET IMPACT: \$942,310.00

Is this expenditure approved in the current fiscal year budget? The project is funded through a CPO

If no, describe how it will be funded.
