E. To the Zoning Board of Adjustment

I, Todd Leoni, hereby petition the Board of Adjustment for a variance(s) from the literal provisions of the Zoning Ordinance of the City of Hendersonville because I am prohibited from using the parcel of land described in the form "Zoning Permit Applicant" in a manner shown by the Site Plan.

I request a Variance from the following provision(s) of the ordinance (cite section numbers):

Section 5-4-3 side setback - 8' variance

F. Variance Burden of Proof

When unnecessary hardships would result from carrying out the strict application of a zoning ordinance, the Board of Adjustment shall vary any of the provisions upon a showing of the factors listed below. The Board **does not** have unlimited discretion in deciding whether to grant a variance. Under the state enabling act, the Board shall grant a variance **only upon showing of all of the factors** below as provided in Section 10-9 of the City of Hendersonville Zoning Ordinance.

Instructions: *In the spaces provided below, indicate the facts you intend to demonstrate and the arguments that you intend to make to demonstrate to the Board that it can properly grant the variance as provided in Section 10-9 of the City of Hendersonville Zoning Ordinance. (If additional space is required, please provide the information on a separate sheet of paper).*

1. Unnecessary hardship would result from the strict application of the ordinance. In order to determine whether an unnecessary hardship exists, the Applicant must demonstrate the following factors:
 - a. Indicate how an unnecessary hardship would result from the strict application of the ordinance. It is not necessary to demonstrate, that in the absence of the variance, no reasonable use can be made of the property.

There is an existing Building on the property
with setbacks that don't meet today's code,
Applicant request a variance to make existing
Building a Residence.

- b. Indicate how the hardship results from conditions that are peculiar to the property, such as location, size or topography. Hardships resulting from personal circumstances, as well as hardships resulting from conditions that are common to the neighborhood or the general public, may not be the basis for granting a variance. A variance may be granted when necessary and appropriate to make a reasonable accommodation under the Federal Fair Housing Act for a person with a disability.

The ~~property~~ Building is An old Structure
Built in the 50's, looking to Rehab it

- c. Indicate how the hardship did not result from actions taken by the applicant or property owner. The act of purchasing property with knowledge that circumstances exist that may justify the granting of a variance is not a self-created hardship.

This Property Was foreclosed on By Applicant
and now trying to get My investment back.

2. Indicate how the requested variance is consistent with the spirit, purpose, and intent of the regulation, such that public safety is secured, and substantial justice is achieved.

The Variance sits on the property But Just
~~not~~ intrudes a bit into the setback

Certification

In granting a variance, the Board of Adjustment may prescribe appropriate conditions and safeguards in conformity with the City of Hendersonville Zoning Code. Violations of the provisions of the variance granted, including any conditions or safeguards, which are part of the granting of the variance, shall be deemed in violation of the City of Hendersonville Zoning Ordinance.

I, Todd Lewis, hereby certify that all of the information set forth above is true and accurate to the best of my knowledge.
