SUGGESTED MOTION(S):

For Recommending Approval:

I move Planning Board recommend City Council **adopt** an ordinance amending the official zoning map of the City of Hendersonville changing the zoning designation of properties possessing PINS: 9569-80-3335 & 9569-80-4238, from I-1, Industrial Zoning District to CMU, Central Mixed Use Zoning District, based on the following:

1. The petition is found to be Consistent with the City of Hendersonville Gen H Comprehensive Plan based on the information from the staff analysis and because:

The proposed zoning of CMU aligns with the Gen H 2045 Comprehensive Plan Future Land Use & Conservation Map and the Character Area Description for 'Downtown'.

2. Furthermore, we find this petition to be reasonable and in the public interest based on the information from the staff analysis, public hearing and because:

1. CMU Zoning is more compatible than I-1 Zoning due to the differences in dimensional standards and permitted uses.
2. CMU Zoning better protects the existing character of the built environment and supports recent reinvestment in the economic vitality of the 7th Ave District
3. CMU Zoning will protect against incompatible Industrial uses.
4. Other neighboring properties zoned I-1 were provided an opportunity to rezone their properties to CMU to avoid any appearance of spot zoning and to create a

For Recommending Denial:

I move Planning Board recommend City Council **deny** an ordinance amending the official zoning map of the City of Hendersonville changing the zoning designation of properties possessing PINS: 9569-80-3335 & 9569-80-4238, from I-1, Industrial Zoning District to CMU, Central Mixed Use Zoning District, based on the following:

The proposed zoning of CMU aligns with the Gen H 2045 Comprehensive Plan Future Land Use & Conservation Map and the Character Area Description for 'Downtown'.

2. Furthermore, we do not find this petition to be reasonable and in the public interest based on the information from the staff analysis, public hearing and because:

1. CMU Zoning would reduce the number of permitted uses
2. CMU Zoning would reduce the required dimensional standards (setbacks, min. lot size, etc.)
3. CMU Zoning would further shift the area from its industrial roots

SUMMARY: The City of Hendersonville is in receipt of a Zoning Map Amendment application from Daniel Huggins & Hailey Lamoreux (Applicants / Owners) for 824 Locust St Suite 400 (PIN: 9569-80-3335) totaling 0.22 Acres located at the corner of Locust St and Lynn St. The property is currently zoned I-1, Industrial. The petitioner is requesting that the property be rezoned to CMU (Central Mixed Use). An additional property in the area has consented to the rezoning as well – Dennis Dunlap at 415 8th Ave E (PIN: 9569-80-4238).

Planning Staff initially identified the need for a rezoning of the I-1 properties in this area over 4 years ago. Though a ‘small area rezoning’ did not take place at that time, with the submittal of this rezoning application, Planning Staff has opened up the opportunity for select properties to join in on the rezoning. Per new state laws, property owners must consent to rezonings of this nature. Property owners have expressed mixed feelings about the proposed changes to their zoning. Properties that participate in the rezoning would benefit in the following ways:

- 1) CMU Zoning would make non-conforming buildings conforming;
- 2) CMU Zoning would permit current land uses to continue;
- 3) CMU Zoning would permit additional desired future land uses that I-1 zoning does not;
- 4) CMU Zoning would prevent incompatible uses.
