Activities during the month of May:

May's Trivia night had a wonderful turnout. 33 patrons of all ages came to enjoy the evening. We will be turning Trivia night into a regular event. It will be held on the first Friday of every even month. The Pokemon League continues to increase in popularity. We are hoping to start a game space within the next couple months. A game space would be the LEC being set aside for a given amount of time and any patrons/patrons that would like to come and play games of their would be welcomed to do it in that scheduled time.

Total Program Attendance for May: 528 patrons.

May Reading Challenge: Books with White on the cover.
