Description of Project (200 words or less): There are numerous bike trails being proposed and built throughout Central Florida. Due to its location, Howey-in-the-Hills is in a position to connect into these proposed and current bike trails. Costs were determined by the Town Planner and Town Engineer. Justification and Urgency for the Project (When is it required to be complete and why?): There are ongoing, concurrent bike trail projects that are being sponsored at the state, county, and municipal level. Any bike trail proposal needs to be placed in the larger picture of the latest bike trail plans. Is It related to other projects? If yes, list them. What Department Will Be Responsible For The Project?: Public Works Department Point of Contact Morgan Cates	Impact Fees					\$70,000	\$70,000	\$70,000	\$70,000		\$280,000
