<b>Total</b>					500,000					500,000
<p>Description of Project (200 words or less):</p> <p>Sanitary Sewer Services are currently provided to a portion of the Town of Howey In The Hills and a portion of unincorporated Lake County by the Central Lake County Community Development District (CDD) which was established by Lake County Ordinance 2001-75 on May 11, 2001 in accordance with Chapter 190, Florida Statutes. All of the CDD Water and Sewer Service areas are located within the Town of Howey In The Hills Water and Sewer Service Area as provided in Lake County Ordinance 2013-29 (as amended) . This capital project provides for the Town of Howey In The Hills to acquire the assets of the Central Lake County Community Development District by paying Lake County the value of the District's Net Assets, plus any related legal and administrative expenses. The last available audited Financial Statements of the CDD, dated September 30, 2021, place its Total Net Position at \$291,898. As these financial statements are over fifteen (15) months old, it is anticipated the value may have increased since that date. This project has therefore been estimated at \$500,000 for the Net Asset value of the District, plus administrative and legal expenses. The Town would assume all assets and liabilities of the District upon acquisition, including the remaining three and one-half year lease, and four each, ten year extensions of the lease with Sewer and Water Plant Investments, LLC (previously Packing House By-Products, Co.), both entities owned by the previous Developer of Mission Inn. Lease payments are calculated each year based on a formula detailed in the lease agreement.</p> <p>Justification and Urgency for the Project (When is it required to be complete and why?): The Town of Howey in The Hills is currently negotiating with five (or more) Developers of Land located within its Town Limits to build large numbers of residential housing units, and some number of commercial and industrial properties. These properties and additional ones that may surface in the future in the Town Of Howey In The Hills Service Area, will require water and sewer services. The Orlando-Kissimmee Metropolitan Area is expanding rapidly and is now approaching the Town of Howey In The Hills. In the next five to ten years the population of the Town of Howey In The Hills is expected to explode into a much larger Town. If the Town is to develop properly in agreement with interests of the existing Town residents, it is imperative that the Town must control the water and sewer services in its service area. The Town currently operates its own water services and some retail wastewater collection services. This acquisition, in cooperation with Lake County, will allow the Town on a cost effective basis, to operate wholesale wastewater collection and treatment services. Together with the acquisition and expansion of the Drake Point water and wastewater plants approved by Lake County within the Town of Howey Water and Wastewater Service Area, the Town of Howey in the Hills will be able to serve customers within its service area.</p>
