Thank you for your continued commitment and support for the arboriculture industry. **To view your credential(s) Continuing Education Unit (CEU) status and pertaining deadlines, please access your MyISA account dashboard.** Your [CEU Report](#) shows whether you have met the CEU requirements for your credential(s). The extension date to meet requirements can be found under "**Period of Certification >> Ext Until:**"

Recertification is a two-step process in which credential holders must meet the continuing education requirements for their credential(s) and pay the recertification fee.
