

MEMORANDUM

TO: Mayor Miller, City Council Members

FROM: Tony Ekins, City Planner

SUBJECT: Discussion Item: Michael Sovine, Park Ranger, Hyrum State Park

DATE: February 28, 2025

CITY COUNCIL AGENDA:

March 6, 2025

OVERVIEW:

Hyrum State Park is planning to expand off-street parking to provide an area for users of Hyrum Dam to conduct preparations for pre-launch boating and minimize on-street obstructions near the entrance of Hyrum Dam. Hyrum City Code 17.04.030(F) exempts property owned by the state from the zoning ordinance, however, Michael Sovine will be conducting a discussion with the Hyrum City Council to review the state's project goals and objectives for the parking expansion.
