Introduction

This Canvass Report is provided pursuant to the requirements of Utah Code Title 20A, which establishes the statutory framework governing elections within the State of Utah, including municipal elections. The canvass serves as the official examination and certification of election returns, ensuring the accuracy, completeness, and legality of the vote totals reported.

Under interlocal agreements executed with participating municipalities, Cache County is responsible for administering municipal elections. This includes maintaining and providing access to the statewide voter registration database, managing vote-by-mail ballot distribution and processing, offering early and election day in-person voting, and providing the election infrastructure and equipment necessary for compliance with state law and best practices. Municipalities remain essential partners in this process through coordination, facilitation of candidate filings, and support in public notice & election oversight.

The County acknowledges and appreciates the cooperation of municipal officials and staff throughout the administration of the 2025 Municipal Primary Election. From the execution of interlocal agreements and the conduct of the candidate filing period, through ballot distribution, voting, and the canvass process, the collaboration of our municipal partners has been indispensable to the lawful and effective administration of these elections.
