

DOMINION ENERGY UTAH
UTAH TRANSPORTATION SERVICE AGREEMENT
(Firm and Interruptible Customers)

This Transportation Service Agreement (“Agreement”) is entered into this ____ day of February, 2024, by and between Questar Gas Company dba Dominion Energy Utah, a Utah corporation (“Company”) and Hyrum City Corp. a Utah municipality (“Customer”). Company and Customer may be referred to herein individually as “Party” and collectively as “Parties.” The Parties agree as follows:

1. Company shall provide transportation service in accordance with the terms, conditions and provisions in the Company’s Utah Tariff filed with the Public Service Commission of Utah (“Commission”) and as it may be amended from time to time (“Tariff”).
2. Each Primary and Secondary end-use site identified on Attachment A, which attachment is incorporated, shall be billed an Administrative Charge as set forth in the Tariff.
3. Customer must nominate Firm and Interruptible volumes separately. Customer may nominate its natural gas for delivery to either the Approved Point identified on Attachment A or an Alternate Point approved by the Company and, if the nomination is confirmed, the Company will redeliver Customer’s supplies to Customer’s service address(es) associated with the SAID(s) listed on Attachment A. However, Company reserves the right to require each transportation customer to deliver its natural gas supplies to the Approved Point when, in Company’s sole discretion, its operational needs support such a change.
4. The Maximum **Hourly** Flow Rate is the maximum volume of gas that Customer expects to flow through its meter during any given hour. The Maximum Hourly Flow Rate for firm volumes is shown in Column H of Attachment A and the Maximum Hourly Flow Rate for interruptible volumes is shown in Column I of Attachment A. Customer represents that firm and interruptible volumes reflected as the Maximum **Hourly** Flow Rates set forth in Attachment A, Columns H and I reflect its best reasonable estimates of the maximum hourly flow expected by Customer. Upon request from Company from time to time, Customer will update its Maximum Hourly Flow Rates.
5. The Daily Firm contract limit is the amount shown in Column E of Attachment A. The firm confirmed scheduled quantities, up to the Daily Firm limit, shall be transported pursuant to Tariff terms and conditions applicable to firm transportation service.
6. The Daily Interruptible contract limit is shown in Column F of Attachment A. If Customer transports volumes greater than the firm confirmed scheduled quantity, referenced in Paragraph 5, above, such volumes shall be transported pursuant to Tariff terms and conditions applicable to interruptible transportation service.
7. Customer shall provide, or shall make arrangements for its upstream pipeline supplier to provide, measurement information and other information requested by Company concerning the volumes that have been delivered to Company on Customer’s behalf. Customer shall provide, or cause its upstream pipeline supplier to provide, measurement information on a daily basis unless otherwise agreed to by the Parties in writing.
8. Service under this Agreement shall commence on the Effective Date set forth on Exhibit A, and continue until the subsequent June 30th, and from year to year thereafter unless terminated by either

Party as provided herein. Either Party may terminate this Agreement effective July 1 of any year thereafter by providing advance written notice of termination on or before March 31 of the year of termination. Termination of this agreement does not guarantee or ensure Customer's ability to obtain service under a different rate class. Customer acknowledges that Customer's ability to change to another rate class is governed by, and may be limited by, applicable terms and conditions of the Tariff.

9. This Agreement shall be governed by and construed in accordance with Utah law, the Tariff and any applicable rules and regulations of the Commission and, to the extent that the Tariff or any applicable rules or regulations of the Commission conflict with or are inconsistent with this Agreement, now or in the future, the Tariff, Commission rules and regulations shall control. If any term of this Agreement is held to be illegal or in conflict with Utah law, the Tariff, or any applicable Commission rule or regulation, the validity of the remaining portion of the Agreement shall not be affected, and the rights and obligations of the Parties shall be construed as if the Agreement did not contain the particular term held to be invalid. Any legal action concerning this Agreement shall be filed in Salt Lake County, Utah and the Parties consent to personal jurisdiction and venue in Salt Lake County.
10. In the event it becomes necessary for either Party to enforce its rights under this Agreement, with or without litigation, the prevailing Party shall be entitled to recover all reasonable expenses, including attorney fees and costs, arising out of the enforcement of its rights.
11. Customer may not assign this Agreement without the written consent of Company.
12. All communications, consents and other notices shall be in writing and shall be deemed to have been given when personally delivered, or three (3) business days after being mailed by certified or registered U.S. Mail, return receipt requested, or when receipt is acknowledged if sent by e-mail or other electronic transmission means.
