Application Overview: The proposed application is initiated by Hyrum City to consider removing single-family dwellings, single-family dwellings with two family accessory apartments, boarding and rooming houses, planned unit developments, and light manufacturing out of the Commercial Zone C-1 district; and remove planned unit developments, taverns, night club, and light manufacturing out of the Commercial Zone C-2 district. Staff recommends that commercial zoning districts throughout the City limits permit uses that are more aligned with commercial while the residential zoning districts contain single-family and planned unit residential developments, as well as light manufacturing districts accommodate light manufacturing uses.
