SECTION 00 41 00 BID FORM

Delete Section **00 41 00 BID FORM** and replace with attached document dated October 6, 2025.

Summary of changes:

- Removed Bid Item 12 Granular Borrow (Plan Quantity) from Bid Form
- Removed Bid Items 24 Adjust Sewer Manhole to Grade, 25 Adjust Water Valve to Grade, and 26 Adjust Water Meter to Grade. (Hyrum City will complete this work, including providing and installing risers and lids.)

3. QUESTIONS:

- Q. When can we start work on the job?
- A. The work can be started after the bid is awarded. A portion can be done this season and the remaining work in the next if desired.

- Q. Are you going to be providing survey and testing if required?
- A. Survey will be provided by the City (Foresight Surveying). Testing for the concrete and compaction testing for the UTBC is required and will be at the cost of the contractor. This is in the notes on the plans and the M&P.

Q. I noticed you have 2 line items numbered 12. Also, the Granular Borrow is showing 0 CY. Is that accurate?

A. Granular Borrow should not have been included in the bid schedule. There is no need for Granular Borrow on the job. Any minor fill areas can be filled with native embankment material from cut areas.

Q. In the Measurement & Payment, it states on pedestrian access ramp item #18 that the bid item shall include curb and gutter regarding plan 4-112. Is this required as it is not shown on the construction drawings?

A. Curb and gutter at the pedestrian ramp on the east side of 200 East at 500 South is required, see sheet C-204. Curb and gutter is not required at other ramps.

2. Default of Bidder shall occur upon the failure of Bidder to deliver within the time required by the Bidding Documents (or any extension thereof agreed to in writing by Owner) the executed Agreement required by the Bidding Documents and any performance and payment bonds required by the Bidding Documents.
3. This obligation shall be null and void if:
 - 3.1 Owner accepts Bidder's Bid and Bidder delivers within the time required by the Bidding Documents (or any extension thereof agreed to in writing by Owner) the executed Agreement required by the Bidding Documents and any performance and payment bonds required by the Bidding Documents, or
 - 3.2 All Bids are rejected by Owner, or

4. Payment under this Bond will be due and payable upon default of Bidder and within 30 calendar days after receipt by Bidder and Surety of written notice of default from Owner, which notice will be given with reasonable promptness, identifying this Bond and the Project and including a statement of the amount due.
5. Surety waives notice of any and all defenses based on or arising out of any time extension to issue Notice of Award agreed to in writing by Owner and Bidder, provided that the total time for issuing Notice of Award including extensions shall not in the aggregate exceed 120 days from the Bid due date without Surety's written consent.
6. No suit or action shall be commenced under this Bond prior to 30 calendar days after the notice of default required in Paragraph 4 above is received by Bidder and Surety and in no case later than one year after the Bid due date.
7. Any suit or action under this Bond shall be commenced only in a court of competent jurisdiction located in the state in which the Project is located.
8. Notices required hereunder shall be in writing and sent to Bidder and Surety at their respective addresses shown on the face of this Bond. Such notices may be sent by personal delivery, commercial courier, or by United States Registered or Certified Mail, return receipt requested, postage pre-paid, and shall be deemed to be effective upon receipt by the party concerned.

10. This Bond is intended to conform to all applicable statutory requirements. Any applicable requirement of any applicable statute that has been omitted from this Bond shall be deemed to be included herein as if set forth at length. If any provision of this Bond conflicts with any applicable statute, then the provision of said statute shall govern and the remainder of this Bond that is not in conflict therewith shall continue in full force and effect.

COOK HOMES, INC.

(formerly known as COOK BROS. CONSTRUCTION, INC.)

ARTICLE I
OFFICE

The Board of Directors shall designate and the Corporation shall maintain a principal office. The location of the principal office may be changed by the Board of Directors. The Corporation may also have offices in such other places as the Board may from time to time designate.

The location of the principal office of the Corporation shall be: 2186 North 1600 East, North Logan, Utah 84341.

ARTICLE II
SHAREHOLDERS MEETING

Section 1. Annual Meetings. The annual meeting of the shareholders of the Corporation shall be held at such place within or without the State of Utah as shall be set forth in compliance with these Bylaws. The meeting shall be held on the 1st Monday of April of each year, at 10:00 a.m. at the principal office of the Corporation. If such day is a legal holiday, the meeting shall be on the next business day. This meeting shall be for the election of Directors and for the transaction of such other business as may properly come before it.

Section 2. Special Meetings. Special meetings of shareholders, other than those regulated by statute, may be called at any time by the President, or a majority of the Directors, and must be called by the President upon written request of the holders of 51% of the outstanding shares entitled to vote at such special meeting. Written notice of such meeting stating the place, the date and hour of the meeting, the purpose or purposes for which it is called, and the name of the person by whom or at whose direction the meeting is called shall be given. The notice shall be given to each shareholder of record in the same manner as notice of the annual meeting. No business other than that specified in the notice of the meeting shall be transacted at any such special meeting.

Section 3. Notice of Shareholders Meetings. The Secretary shall give written notice stating the place, day, and hour of both annual and special meetings, and in the case of a special meeting, the purpose or purposes for which the meeting is called, which shall be delivered not less than ten (10) nor more than thirty (30) days before the date of the meeting, either personally or by mail to each shareholder of record entitled to vote at such meeting. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail, addressed to the shareholder at the shareholder's address as it appears on the books of the Corporation, with postage prepaid. A certificate or an affidavit of the mailing or other means of giving any notice of any shareholders' meeting shall be executed by the person giving such notice, and shall be filed and maintained in the minute book of the Corporation.

Section 4. Place of Meeting. The Board of Directors may designate any place, either within or without the State of Utah, as the place of meeting for any annual meeting or for any special meeting called by the Board of Directors. A waiver of notice signed by all shareholders entitled to vote at a meeting may designate any place, either within or without the State of Utah, as the place for the holding of such meeting. If no designation is made, or if a special meeting be otherwise called, the place of meeting shall be the principal office of the Corporation.

Section 5. Quorum. A majority of the outstanding shares of the Corporation entitled to vote, represented in person or by proxy, shall constitute a quorum at a meeting of shareholders. If less than a majority of the outstanding shares are represented at a meeting, a majority of the shares so represented may adjourn the meeting from time to time without further notice. At a meeting resumed after any such adjournment at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting as originally noticed. The shareholders present at a duly organized meeting may continue to transact business until adjournment, notwithstanding the withdrawal of shareholders in such number that less than a quorum remain.

Section 6. Voting. A holder of an outstanding share, entitled to vote at a meeting, may vote at such meeting in person or by proxy. Except as may otherwise be provided in the Articles of Incorporation, every shareholder shall be entitled to one (1) vote for each share standing in the shareholder's name on the record of shareholders. Except as herein or in the Articles of Incorporation otherwise provided, all corporate action shall be determined by 51% of the votes cast at a meeting of shareholders by the holder of shares entitled to vote thereon.

Section 7. Voting. Only persons in whose names shares entitled to vote stand on the stock records of the Corporation at the close of business on the business day next preceding the day on which notice is given (or, if notice is waived, at the close of business on the business day next preceding the day on which the meeting is held) shall be entitled to vote at such meeting. All votes may be by voice vote or by ballot; provided, however, that all elections for directors must be by ballot upon demand by a shareholder at any election and before the voting begins.

At a shareholders' meeting involving the election of Directors, no shareholder shall be entitled to cumulate votes (i.e., cast for any one or more candidates a number of votes greater than the number of the shareholder's shares) unless such candidate or candidates' names have been placed in nomination prior to the voting and a shareholder has given notice prior to the voting of the shareholder's intention to cumulate votes. If any shareholder has given such notice, then every shareholder entitled to vote may cumulate such shareholder's votes for candidates in nomination and give one candidate a number of votes equal to the number of Directors to be elected multiplied by the number of votes to which such shareholder's shares are entitled, or distribute the shareholder's votes on the same principle among any or all of the candidates, as the shareholder thinks fit. The candidates receiving the highest number of votes up to the number of Directors to be elected shall be elected.

Section 8. Proxies. At all meetings of shareholders, a shareholder may vote in person or by proxy executed in writing by the shareholder or by the shareholder's duly authorized attorney in fact. Such proxy shall be filed with the Secretary of the Corporation before or at the time of the meeting. No proxy shall be valid after eleven months from the date of its execution, unless otherwise provided in the proxy.

Section 9. Action by Written Consent. Any action required to be taken at a meeting of the shareholders, or any action which may be taken at a meeting of the shareholders, may be taken without a meeting if a written consent (or counterparts thereof) setting forth the action so taken, shall be signed by all of the shareholders entitled to vote with respect to the subject matter thereof.

ARTICLE III BOARD OF DIRECTORS

Section 1. General Powers. The business and affairs of the Corporation shall be managed by its Board of Directors. The Board of Directors may adopt such rules and regulations for the conduct of their meetings and the management of the Corporation as they deem proper.

Section 2. Number, Tenure and Qualifications. The number of Directors of the Corporation shall be not less than three (3) nor more than nine (9) unless the number of shareholders is fewer than three (3), in which case the number of directors shall be no less than the number of shareholders. The initial number of Directors shall be one (1). Each Director shall hold office until the first to occur of (i) the next annual meeting of shareholders is held and successor Directors duly elected or (ii) until earlier resignation or removal as provided herein. Directors need not be residents of the State of Utah or shareholders of the Corporation.

Section 3. Regular Meetings. A regular meeting of the Board of Directors shall be held without other notice than by this Bylaw, immediately following after and at the same place as the annual meeting of shareholders. The Board of Directors may provide, by resolution, the time and place for the holding of additional regular meetings without other notice than this resolution.

Section 4. Special Meeting. Special meetings of the Board of Directors may be called by order of the Chairman of the Board, the President, or by a majority of the Directors. The Secretary, of the Corporation or other designated agent shall give notice of the time, place and purpose or purposes of each special meeting by personal delivery or by telephone to each Director or sent by first class mail, charges prepaid, addressed to each Director at the Director's address as it is shown upon the records of the Corporation. In case such notice is mailed, it shall be deposited in the United States mail at least five (5) days prior to the time of the holding of the meeting. In case such notice is delivered personally or by telephone to a Director, it shall be delivered, personally or by telephone, at least forty-eight (48) hours prior to the holding of the meeting. Any oral notice given personally or by telephone may be communicated to either the Director or to a person at the office of the Director who the person giving the notice has reason to believe will promptly communicate it to the Director.

Section 5. Quorum. A majority of the members of the Board of Directors shall constitute a quorum for the transaction of business, but less than a quorum may adjourn any meeting from time to time until a quorum shall be present, whereupon the meeting may be held, as adjourned, without further notice. At any meeting at which every Director shall be present, even though without any notice, any business may be transacted.

Section 6. Manner of Acting. At all meetings of the Board of Directors, each Director shall have one vote. The act of a majority present at a meeting shall be the act of the Board of Directors, provided a quorum is present.

Section 7. Vacancies. A vacancy in the Board of Directors shall be deemed to exist in case of death, resignation, or removal of any Director, or if the authorized number of Directors be increased, or if the shareholders fail at any meeting of share-holders at which any Director is to be elected, to elect the full authorized number to be elected at that meeting.

Section 8. Removals. Directors may be removed at any time by a vote of the shareholders holding 51% of the shares outstanding and entitled to vote. Such vacancy shall be filled by the Directors then in office, though less than a quorum, to hold office until the next annual meeting or until a successor is duly elected and qualified, except that any directorship to be filled by reason of removal by the shareholders may be filled by election by the shareholders at the meeting at which the Director is removed. No reduction of the authorized number of Directors shall have the effect of removing any Director prior to the expiration of the Director's term of office.

Section 9. Resignation. A Director may resign at any time by delivering written notification to the President or Secretary of the Corporation. Resignation shall become effective upon its acceptance by the Board of Directors' provided, however, that if the Board of Directors has not acted within ten (10) days from the date of its delivery, the resignation shall upon the tenth day, be deemed accepted.

Section 10. Presumption of Assent. A Director of the Corporation who is present at a meeting of the Board of Directors at which action on any corporate matter is taken shall be presumed to have assented to the action taken unless the Director expressly enters a dissent to such action at the time the Board votes thereon or unless the Director shall give written or verbal dissent to such action with the person acting as the secretary of the meeting before the adjournment thereof. However, such subsequent right of dissent shall not apply to a Director who voted in favor of such action.

Section 11. Compensation. By resolution of the Board of Directors, the Directors may be paid their expenses, if any, of attendance at each meeting of the Board of Directors, and Directors who are not also employees of the Corporation may be paid a fixed sum for attendance at each meeting of the Board of Directors or a stated salary as Director. No such payment shall preclude any Director from serving the Corporation in any other capacity and receiving compensation therefor.

Section 12. Emergency Power. When, due to a national disaster or death, a majority of the Directors are incapacitated or otherwise unable to attend the meetings and function as Directors, the remaining members of the Board of Directors shall have all the powers necessary to function as a complete Board, and for the purpose of doing business and filling vacancies shall constitute a quorum, until such time as all Directors can attend or vacancies can be filled pursuant to these Bylaws.

Section 13. Chairman. The Board of Directors may elect from its own number a Chairman of the Board, who shall preside at all meetings of the Board of Directors, and shall perform such other duties as may be prescribed from time to time by the Board of Directors.

Section 1. Number. The officers of the Corporation shall be a President, one or more Vice-Presidents, a Secretary and a Treasurer, each of whom shall be elected by a majority vote of the Board of Directors. Election or appointment of an officer or agent shall not of itself create contract rights. Any such removal shall require a majority vote of the Board of Directors, exclusive of the officer in question if the individual is also a Director.

Section 5. Vacancies. A vacancy in any office may be filled by the Board of Directors for the unexpired portion of the term.

Section 6. President. The President shall be the chief executive and administrative office of the Corporation. The Secretary shall cause notice to be given of meetings of stockholders and of the Board of Directors. The Secretary shall have custody of the corporate seal and general charge of the records, documents and papers of the Corporation not pertaining to the performance of the duties vested in other officers, which shall at all reasonable times be open to the examination of any Director. The Secretary may sign or execute contracts with the President or a Vice-President authorized in the name of the Corporation and affix the seal of the Corporation. The Secretary shall perform such other duties as may be prescribed from time to time by the Board of Directors or by the Bylaws. Assistant Secretaries, if any, shall assist the Secretary and shall keep the record of such minutes of meetings as shall be directed by the Board of Directors.

Section 9. Treasurer. The Treasurer shall have general custody of the collection and disbursement of funds of the Corporation. The Treasurer shall endorse on behalf of the Corporation for collection checks, notes and other obligations, and shall deposit the same to the credit of the Corporation in such bank or banks or depositories as the Board of Directors may designate. The Treasurer may sign, with the President or such other persons as may be designated for the purpose by the Board of Directors, all bills of exchange or promissory notes of the Corporation. The Treasurer shall enter or cause to be entered regularly in the books of the Corporation full and accurate account of all monies received and paid on account of the Corporation; shall at all reasonable times exhibit the books and accounts to any Director of the Corporation upon application at the office of the Corporation during business hours; and, whenever required by the Board of Directors or the President, shall render a statement of accounts. The Treasurer shall perform such other duties as may be prescribed from time to time by the Board of Directors or by the Bylaws.

Section 10. Other Officers. Other officers shall perform such duties and have such powers as may be assigned to them by the Board of Directors.

Section 11. Salaries. The salaries or other compensation of the officers of the Corporation shall be fixed from time to time by the Board of Directors, except that the Board of Directors may delegate to any person or group of persons the power to fix the salaries or other compensation of any subordinate officers or agents. No officer shall be prevented from receiving any such salary or compensation by reason of the fact that the officer is also a Director of the Corporation.

Section 12. Surety Bonds. In case the Board of Directors shall so require, any officer or agent of the Corporation shall execute to the Corporation a bond in such sums and with such surety or sureties as the Board of Directors may direct, conditioned upon the faithful performance of duties to the Corporation, including responsibility for negligence and for the accounting for the property, monies, or securities of the Corporation.

ARTICLE V CONTRACTS, LOANS, CHECKS AND DEPOSITS

Section 1. Contracts. The Board of Directors may authorize any officer or officers, agent or agents, to enter into any contract or execute and deliver any instrument in the name of and on behalf of the Corporation, and such authority may be general or confined to specific instances.

Section 2. Loans. No loan or advances shall be contracted on behalf of the Corporation, no negotiable paper or other evidence of its obligation under any loan or advance shall be issued in its name, and no property of the Corporation shall be mortgaged, pledged, hypothecated or transferred as security for the payment of any loan, advance, indebtedness or liability of the Corporation unless and except as authorized by the Board of Directors. Any such authorization may be general or confined to specific instances.

Section 3. Deposits. Section 5. Bonds and Debentures. Every bond or debenture issued by the Corporation shall be evidenced by an appropriate instrument which shall be signed by the President or a Vice-President and by the Treasurer or by the Secretary, and sealed with the seal of the Corporation. The seal may be facsimile, engraved or printed.

ARTICLE VI CAPITAL STOCK

Section 1. Certificate of Share. The shares of the Corporation shall be represented by certificates prepared by the Board of Directors and signed by the President or the Vice-President and by the Secretary, and sealed with the seal of the Corporation or a facsimile. All certificates for shares shall be consecutively numbered or otherwise identified. The name and address of the person to whom the shares represented thereby are issued, with the number of shares and date of issue, shall be entered on the stock transfer books of the Corporation. All certificates surrendered to the Corporation for transfer shall be canceled and no new certificate shall be issued until the former certificate for a like number of shares shall have been surrendered and canceled, except that in case of a lost, destroyed or mutilated certificate, a new one may be issued therefor upon such terms and indemnity to the Corporation as the Board of Directors may prescribe.

Section 2. Transfer of Shares. Transfer of shares of the Corporation shall be made only on the stock transfer books of the Corporation by the holder of record or by the holder's legal representative, who shall furnish proper evidence of authority to transfer, and on surrender for cancellation of the certificate for such shares. The person in whose name shares stand on the books of the Corporation shall be deemed by the Corporation to be the owner for all purposes.

Section 3. Transfer Agent and Registrar. The Board of Directors shall have power to appoint one or more transfer agents and registrars for the transfer and registration of certificates of stock of any class, and may require that stock certificates shall be countersigned and registered by one or more of such transfer agents and registrars.

Section 4. Lost or Destroyed Certificates. The Corporation may issue a new certificate to replace any certificate issued by it alleged to have been lost or destroyed upon such terms and indemnity as the Board of Directors may prescribe.

Section 5. Consideration for Shares. The capital stock of the Corporation shall be issued for such consideration, but not less than the par value thereof, as shall be fixed from time to time by the Board of Directors. In the absence of fraud, the determination of the Board of Directors as to the value of any property or services received in full or partial payment of shares shall be conclusive.

Section 6. Registered Shareholders. The Corporation shall be entitled to treat the holder of record of any share or shares of stock as the holder, in fact, and shall not be bound to recognize any equitable or other claim to or on behalf of this Corporation any and all of the rights and powers incident to the ownership of such stock at any meeting of the shareholders, and shall have power and authority to execute and deliver proxies and consents on behalf of this Corporation of the rights and powers incident to the ownership of such stock. The Board of Directors, from time to time, may confer like powers upon any other person or persons.

ARTICLE VII INDEMNIFICATION

Section 1. Indemnification. No officer or Director shall be personally liable for any obligations of the Corporation or for any duties or obligations arising out of any acts or conduct of said officer or Director performed for or on behalf of the Corporation. The Corporation shall and does hereby indemnify and hold harmless each person, heirs and administrators who shall serve at any time as a Director and/or officer of the Corporation from and against any and all claims, judgments and liabilities to which such persons shall become subject by reason of having been a Director or officer of the Corporation, or by reason of any action taken or omitted to have been taken as such Director or officer, and shall reimburse each such person for all legal and other expenses reasonably incurred in connection with any such claim or liability, including power to defend such person from all suits or claims as provided for under the provisions of the Utah Revised Business Corporation Act; provided, however, that no such person shall be indemnified against, or be reimbursed for, any expense incurred in connection with any claim or liability arising out of such person's own negligence or willful misconduct. The rights accruing to any person under the foregoing provisions of this section shall not exclude any other right to which such person may lawfully be entitled, nor shall these Bylaws restrict the right of the Corporation to indemnify or reimburse such person in any proper case, even though not specifically provided for. The Corporation, its directors, officers, employees and agents shall be fully protected in taking any action or making any payment, or in refusing so to do in reliance upon the advice of counsel.

Section 2. Other Indemnification. The indemnification provided shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any bylaw, agreement, vote of stockholders or directors (whether disinterested or not), or otherwise, both as to action in an official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be director, officer or employee, and shall inure to the benefit of the heirs, executors and administrators of such person.

Section 3. Insurance. The Corporation may purchase and maintain insurance on behalf of any person who is or was a Director, officer or employee of the Corporation, or is or was serving at the request of the Corporation as a Director, officer, employee or agent of another Corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the Corporation would have the power to indemnify such person against liability.

Section 4. Settlement by Corporation. The right of any person to be indemnified shall be subject always to the right of the Corporation by its Board of Directors, in lieu of such indemnity, to settle any such claim, action, suit or proceeding at the sole expense of the Corporation by the payment of the amount of such settlement and the costs and expenses incurred in connection therewith.

ARTICLE VIII
WAIVER OF NOTICE

Whenever any notice is required to be given to any shareholder or Director of the Corporation under the provisions of these Bylaws, or under the provisions of the Articles of Incorporation, or under the provisions of the Utah Revised Business Corporation Act, a waiver in writing signed by the person or persons entitled to such notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice. Attendance at any meeting shall constitute a waiver of notice of such meetings, except where attendance is for the express purpose of objecting to the legality of that meeting.

ARTICLE IX
AMENDMENTS

These Bylaws may be altered, amended, repealed, or new bylaws adopted by a majority vote of the entire Board of Directors at any regular or special meeting. Any bylaw adopted by the Board may be repealed or changed by action of the shareholders.

ARTICLE X
