

Independence Airport

FBO Manager

Airport Board,

Traffic:

- ✘ Our July 4th Fly in had a great turn out this year! Around 150 people were able to enjoy the experience of flight.
- ✘ Over the past couple of weeks crop dusters have been utilizing the new apron to the North.
- ✘ Due to storms in the beginning of the week of Oshkosh, we saw more transit traffic going home rather than on the way to Oshkosh.

Testing Center:

- ✘ The testing centers available is still Monday through Wednesday, 8AM to 4PM.
- ✘ There were three I9 appointments.
- ✘ Of the 17 tests we had this month 12 of them were drone tests.

Training:

- ✘ Taylor Thul our newest CFII is now instructing in Independence.
- ✘ We continue to onboard new students.
- ✘ In July we flew 54.6 hours. There were 42 hours of Dual Instruction. The remaining 12.6 hours consisted of pilot aircraft rental, student solos, and intro flights.

Maintenance:

- ✘ We are still offering a 15% discount to first-time maintenance customers.
- ✘ Maintenance worked on P&N, Independence and Marion tenants' aircraft this month.
