

**CITY COUNCIL
WORK SESSION
MEMORANDUM**

TO: City Council

FROM: Matthew R. Schmitz, MPA - City Manager

DATE OF MEETING: September 3, 2024

ITEM TITLE: Airport SWPP Plan

DISCUSSION:

Through conversations with the Airport Engineers and the FAA, it was determined that the FAA would help fund 90% of updating the Stormwater Pollution Prevention Plan (SWPP), which hasn't been updated in many years. The cost to the City for this service is approximately \$1,096 with a total contract price of \$10,960, and this can be completed by modifying the existing North Apron Project to include this work.

RECOMMENDATION:

Staff recommends discussion of this topic. No action is needed at this meeting, as any decision items needed would be brought forward to a City Council meeting for approval.
