

CITY COUNCIL WORK SESSION MEMORANDUM

TO: City Council

FROM: Matthew R. Schmitz, MPA - City Manager

DATE OF MEETING: September 3, 2024

ITEM TITLE: Storm Warning Sirens

DISCUSSION:

During the last budget cycle, Staff included funding intended to be matching dollars so that the City could apply for grants to replace the Storm Warning Sirens in town and expand their coverage. Unfortunately, that funding was removed from the Budget due to budget constraints.

Buchanan County Emergency Management Staff will be present to talk about potential options for working towards the replacement of these essential warning sirens in the future.

RECOMMENDATION:

Staff recommends discussion of this topic. No action is needed at this meeting, as any decision items needed would be brought forward to a City Council meeting for approval.
