Entry Date	Complaint Location	Complaint Description	Complaint Status
June 16, 2025	810 9TH ST SW, INDEPENDENCE 50644	Many junked vehicles on property.  It's too bad the city can't seem to take action regarding the properties like this throughout the city. There seem to be more and more of these types of properties popping up. Not just vehicles but garbage and clutter. I'm not sure why this is so difficult to figure out. This type of complaint doesn't seem to accomplishe much but I'm submitting it anyway.	Unsubstantiated
