

## LIBRARY BOARD ITEM DESCRIPTION

---

**DATE OF MEETING:** March 19, 2026

**ITEM TITLE:** Staff Update

---

### **BACKGROUND:**

There are two staff members who have resigned or are resigning from their positions at the library. They are Michelle Burke, Library Assistant; and Dan Fischels, Maintenance Technician. There is a new online job application system that the city is implementing, and that has presented a learning curve for everyone. I am working through things and hope to be able to hire others for our team soon.

### **RECOMMENDATION:**

Informational about the current staff turnover at the library.
