

## CITY COUNCIL WORK SESSION DEPARTMENT REPORT

---

**TO:** Matthew R. Schmitz, MPA - City Manager  
**FROM:** Brad Esch, Street Superintendent  
**DATE OF MEETING:** 8-5-2024  
**ITEM TITLE:** Department Report – Streets

---

Stump grinding followed by clean up, dirt filling, and seeding is close to being completed for the year. Involved in storm damage cleanup, a few tree removals and the continuous day to day work at the compost facility.

2024 Streets surface rehab is completed. The street dept. will be doing some dirt work and seeding in areas this fall to save approximately \$4000 on the project.

Concrete patching for water main breaks.

Several storm drain repairs. Installed intake and pipe for new storm drain at 1500 6<sup>th</sup> Ave NE.

Road edging.

Dust control.

Street painting is completed, some parking lots still need touched up.

All things associated with July 4<sup>th</sup> celebration.

New Elgin Street Sweeper arrived July 23<sup>rd</sup>. We had a training on mechanical and individual operating with more to follow as needed.

Continue to work with Park and Rec. on projects and other departments as needed.
