

LIBRARY BOARD ITEM DESCRIPTION

DATE OF MEETING: July 18, 2024

ITEM TITLE: Advocacy with Elected Officials

BACKGROUND:

Discussion about the library and how to create more awareness of what the library does and why it's important to the community. The benefits of library services are not typically tangible. It's harder to grasp the importance of them if you aren't engaged in the library or have an insight or personal story about the positive impact.

RECOMMENDATION:

Discuss how to best advocate with community members and elected officials.
