- Support from Musco's Lighting Services Team – over 200 Team members dedicated to operating and maintaining your lighting system – plus a network of 1800+ contractors
- Warranty starts the date of shipment

### ***Musco Scope***

---

- Provide design and layout for lighting system
- Test and final aim equipment

### ***Responsibilities of Buyer***

---

- Confirm pole or luminaire locations, supply voltage and phase required for lighting system prior to production
- Provide electrical design and materials for electrical distribution system
- Provide labor and equipment for installation of electrical distribution system
- Provide labor and equipment for installation of Musco materials
- Buyer is responsible for getting electrical power to the site, coordination with the utility, and any power company fees
- The unloading and storage of the material on site is the responsibility of the buyer

**Payment Terms**

---

Final payment terms are subject to approval by Musco credit department. Final payment shall not be withheld by Buyer on account of delays beyond the control of Musco.

**Delivery Timing**

---

8 - 10 weeks for delivery of materials to the job site from the time of order, submittal approval, and confirmation of order details including voltage, phase, and pole/luminaire locations.

**Notes**

---

Quote is based on following conditions:

- Shipment of entire project together to one location.
- Voltage and phase system requirements to be confirmed.
- Due to the built-in custom light control per luminaire, luminaire locations need to be confirmed prior to production. Changes to locations after the product is sent to production could result in additional charges.

Thank you for considering Musco for your lighting needs. Please contact me with any questions or if you need additional details.
