

Independence Airport

FBO Manager

Airport Board,

Traffic:

- ✘ According to Flight Aware, traffic was only down 16% while the runway was closed for the lighting project.

Events:

- ✘ Our annual Chili Fly-In was hosted last Saturday, November 2.
- ✘ The Independence Eagles provided chili, sides, and desserts for our event.

Testing Center:

- ✘ The test centers availability is Monday-Wednesday and Friday 8am through 4pm.
- ✘ Of our 13 tests administered, ten were for unmanned aircraft.
- ✘ We had one I9 verification this month.

Training:

- ✘ As of right now we have three instructors that come to KIIB for training.
- ✘ This month we had 12 hours of flight instruction.
- ✘ Our Piper Warrior is now instrument rated with a new Garmin audio panel, GPS, comm radio, heading indicator, and attitude indicator.

Maintenance:

- ✘ We are still offering a 15% discount to first-time maintenance customers.
- ✘ Our mechanics mainly worked on company aircraft and two Marion tenets aircraft this month. They are getting started on an annual from a common transit traffic customer.
