

LIBRARY BOARD ITEM DESCRIPTION

DATE OF MEETING: March 21, 2024

ITEM TITLE: IPL Plan - Revisions

BACKGROUND:

The library staff would like to move the deadline for some of the goals in the IPL Plan back. There are various reasons, probably the main one being that we were overzealous in our estimation of when we could achieve the goals. We will look at the suggested changes and discuss.

RECOMMENDATION:

Review and approve changes to goal deadlines in the IPL Plan.
