---

**DATE OF MEETING:** January 18, 2024

**ITEM TITLE:** Library Budget FY2025

---

### **BACKGROUND:**

I have the information that the City will need to make a \$1,600,000 cut...I believe from the general fund budget or the operating budget. I'm hoping to find out more before the meeting on Thursday.

If we have enough information, discussion about the budget and library priorities.
