---

**TO:** City Council

**FROM:** Matthew R. Schmitz, MPA - City Manager

**DATE OF MEETING:** October 14, 2024

**ITEM TITLE:** Fire Truck Update / Discussion

---

### **BACKGROUND:**

As the Council is aware, Engine 1 has sustained damages and will be out of service for at least six months. Staff is attempting to find coverage options during this time.

### **DISCUSSION:**

Staff has begun looking for a different truck to either purchase or rent. We will provide additional updates during the meeting.

### **RESULTS:**

The City has established priorities during strategic planning sessions. This item supports the Vision from that session of Support and Empower Workforce. This item helps achieve that vision by supporting the Fire Department to respond

### **FINANCIAL CONSIDERATION:**

Funds for this may come from Insurance reimbursement via ICAP, or they may need to come from General Fund reserves.

### **RECOMMENDATION:**

Staff recommends a motion to authorize the City Manager to locate and rent or purchase a used Fire Truck within the City Manager's spending authority, up to \$50,000.
