PETITION HISTORY

3/11/25: The petitioner indicated that they will make a for-cause continuance request to the April 11, 2025 hearing date to allow additional time for discussion of the petition with relevant neighborhood associations. Staff does not oppose this request, though no guarantee is made that future continuance requests will be supported. A full staff report will be made available in advance of the April hearing date.

2/11/25: The petitioner made a for-cause continuance request at the February 11, 2025 Division II hearing to allow sufficient time for legal notice to be sent. In the intervening period, the petitioner amended the request to (a) remove the unscreened dumpster request (b) replace the monument sign with a wall sign and (c) added a request for C-1 uses to function at the site (a separate and distinct category from the requested contractor use). The petitioner also provided a set of proposed commitments and made minor changes to the site plan.
