

## **STAFF REPORT**

### **Department of Metropolitan Development Division of Planning Current Planning Section**

**Case Number:** 2023-ZON-084  
**Address:** 5640 East 38<sup>th</sup> Street (3800 Block of Audubon Road) (Approximate Addresses)  
**Location:** Lawrence Township, Council District #13  
**Petitioner:** Jeff Hasser  
**Request:** Rezoning of 0.47 acre from the SU-1 (TOD) district to the D-5 (TOD) district to provide for single-family detached dwellings.

### **RECOMMENDATIONS**

Staff **recommends approval** of this request.

### **SUMMARY OF ISSUES**

#### **LAND USE**

- ◇ The 0.47-acre subject site consists of two parcels (4002389 and 4002390) that are currently developed as a parking lot that was once used for the church south of the site, zoned SU-1. Single-family dwellings are located north and east of the site, zoned D-5, and a multi-family development is west of the site, zoned D-10.
- ◇ The site is in the Devington Neighborhood and is part of the Puritan Realty Co's subdivision that was platted August 7, 1913.

#### **REZONING**

- ◇ The request would rezone the parcels to the D-5 district to provide for single-family detached dwellings.
- ◇ The site is zoned SU-1, which is a special use district that only allows for the operation of a religious use and associated accessory uses which have historically been located here.
- ◇ The D-5 district is intended for medium and large-lot housing formats, primarily for detached houses, but may incorporate small-scale multi-unit building types in strategic locations. This district can be used for new, walkable suburban neighborhoods or for infill situation in established urban areas, including both low density and medium density residential recommendations of the Comprehensive Plan, and the Suburban Neighborhood and Traditional Neighborhood Typologies of the Land Use Pattern Book.
- ◇ The Comprehensive Plan recommends community commercial development for the southern portion of the site. The Community Commercial typology provides for low intensity commercial and office uses that serve nearby neighborhoods. These uses are usually in freestanding buildings or small, integrated centers. Examples include small-scale shops, personal services, professional and business services, grocery stores, drug stores, restaurants, and public gathering spaces.

## **STAFF REPORT 2023-ZON-084 (Continued)**

- ◇ The northern portion of the site does not have a recommendation since it was once part of 39<sup>th</sup> Street that extended west of Audubon Road which was vacated and became private property.

### **TRANSIT-ORIENTED DEVELOPMENT OVERLAY**

- ◇ The site falls within a ¼ mile of a proposed Purple Line Bus Rapid Transit Station at 38<sup>th</sup> Street and Layman Avenue that would promote a mix of uses at station area and primarily residential beyond in this walkable neighborhood typology as envisioned by the Purple Line Transit-Oriented Development Strategic Plan (2021).

### **Staff Analysis**

- ◇ Per the submitted site plan and survey, the two parcels would be divided in a manner that would allow for three individual lots with single-family dwellings on each lot.
- ◇ In staff's opinion, the requested D-5 district for single-family detached dwellings would be appropriate at this mid-block location since it is surrounded by residential uses on three sides.
- ◇ Although the Comprehensive Plan recommends community commercial development for the subject site, an introduction of commercial uses this far north on the block would be out of place. Staff does not typically make recommendations contrary to the Comprehensive Plan unless it is apparent that the recommendation would not align with the context of the area or other plans such as the Purple Line Transit-Oriented Development Strategic Plan (2021).
- ◇ For these reasons, staff is recommending approval of the request.
