PETITION HISTORY

3/3/2026: To allow for additional time to generate supporting documents related to the heritage tree variance as well as for commitments related to the property to the east, staff will request an additional continuance to the April 7, 2026 hearing. A full staff report will be made available in advance of that date.

2/3/26: Per amended documentation, the petition was amended to remove one previously requested variance and to add another one related to parking within a front yard. In order to allow time for the amended notice to be sent, as well as to allow time for additional discussion and generation of supporting documents, staff will plan to request a continuance to the March 3, 2026 hearing date.

1/6/26: The petitioner indicated their intent to request a continuance to the February 3, 2026 hearing date to allow additional time to submit a landscaping plan related to the proposal.

12/2/25: A timely automatic continuance request was filed by a registered neighborhood organization, automatically continuing this petition to the January 6, 2026 hearing date.
