PETITION OVERVIEW

SITE PLAN AND DESIGN

This proposed development would provide for two lots, two common areas and one block, totaling 15.52 acres. The site is zoned C-3 and C-S and would be an expansion of the large integrated center to the east. The request would allow for future commercial development under the C-3 and C-S classifications. The proposed subdivision meets the standards of the Subdivision Regulations, the C-3 district and C-S district and commitments from rezoning petitions 2014-CZN-824B, C, and D.

STREETS

The lots would have access to the existing access drives to the east and would gain access to Franklin Road or Southport Road via five existing access points. No new streets are proposed.
