PETITION OVERVIEW

HISTORY

This subject site is part of the land associated with a condominium declaration for the Lawton Loop East Condominium Association, originally recorded in 2002. It is currently undeveloped.

SITE PLAN AND DESIGN

This request would create a lot out of the land associated with the condominium development. The subject lot is proposed to be transferred to the same owner as the property adjacent to the south. The subject lot is part of the Fort Benjamin Harrison Planned Unit Development (D-P Zoning) and is classified as only permitting open space uses. Any other proposed development would require a rezoning petition to be approved through the City of Lawrence. This request would be consistent with the development statement of the D-P District rezoning and the Subdivision Regulations.

STREETS

This lot would gain access through the adjacent lot which has easement access to Lawton Loop East Drive and Otis Avenue.

SIDEWALKS

Sidewalks would not be required as no streets abut the proposed lot.
