PETITION OVERVIEW

SUMMARY

This petition, if approved, would vacate a remnant and mostly improved street right-of-way, from the north right-of-way line of 73rd Street, 305.47 feet to the north, a point of which is the south right-of-way line of Highland Creek Boulevard, an unimproved street right-of-way. On a site visit, staff noted that a chain link fence was constructed within this right-of-way, with a gate.

The petitioner owns properties on both sides of this right-of-way, including Lot 101, as shown in the survey, below under Exhibits. It is unlikely that development would occur on the lots west of this street, due to an existing large ditch to the north.

The vacation of this portion of this street right-of-way would be in the public interest.

PROCEDURE

Neither the Division of Planning nor the Plat Committee, Hearing Examiner or Metropolitan Development Commission determines how vacated right-of-way is divided. The approval of a vacation petition only eliminates the public right-of-way. The vacation approval does nothing more. A petitioner will not receive a deed or other document of conveyance after the approval of a vacation.

The general rule under Indiana case law is that when a street or highway is vacated or abandoned the title to the land reverts to the abutting property owners. This rule exists by virtue of the fact that the abutting landowner owns to the center of the street or highway subject only to an easement for the public to the use of the street or highway. *Gorby v. McEndarfer* 135 Ind.App. 74, *82, 191 N.E.2d 786, **791 (Ind.App.1963). However, there are possible exceptions to this general rule.

After a vacation of public right-of-way, the county assessor determines how the vacated right-of-way will be assessed for tax purposes.

Petitioners and abutters of the vacated right-of-way should consult their own attorneys for advice regarding the ownership of the vacated right-of way.

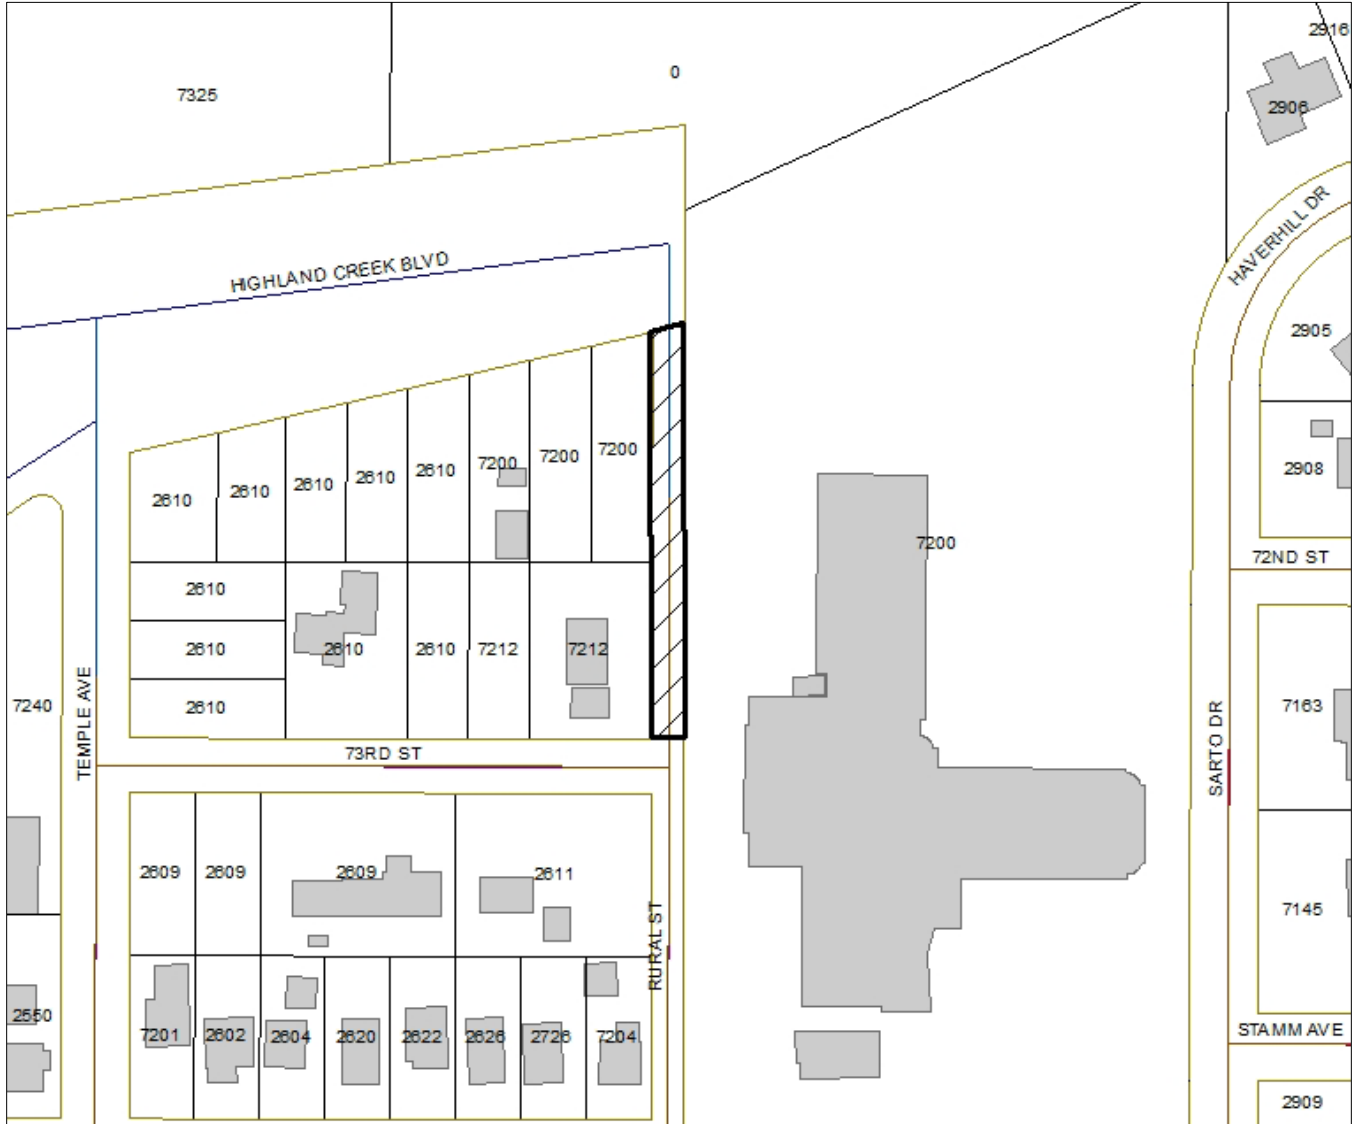

ASSESSMENT OF BENEFITS

Approximately 180 feet of the existing right-of-way is improved with pavement to the point where a chain link fence has been constructed. The remaining 125 feet of right-of-way is unimproved. Due to previous investment into this right-of-way, the request to waive the assessment of benefits should be denied.

PETITION FOR VACATION OF A PUBLIC WAY, EASEMENT OR PUBLIC PLACE

FINDINGS OF FACT

1. THE PROPOSED VACATION IS IN THE PUBLIC INTEREST because:

the street sought to be vacated is between parcels owned by Petitioner, which operates St. Pius Church and School. The street does not extend all the way to the end of 7216 N. Rural St. and dead ends. The street would be unlikely to ever be extended as there is a ditch north of where the street dead ends and the only place it could extend is to the private residential community of Harbour Club Condos.

No one besides Petitioner would have any use for the street, as the portion sought to be vacated does not connect to any other street north of 73rd Street or any other property besides those owned by Petitioner.

DECISION

IT IS THEREFORE the decision of this body that this VACATION petition is APPROVED, subject to any conditions stated in the minutes (which conditions are incorporated herein by reference and made a part of this decision).
