

PLAT COMMITTEE

September 9, 2026

Case Number: 2026-VAC-007

Property Address: 1525, 1540, and 1543 West Ohio Street; 211, 217 and 221 North Reisner Street; & 126 and 130 Koehne Street (*Approximate Addresses*)

Location: Center Township, Council District #18

Petitioner: Church, Westside Pentecostal Assembly Trustees by Justin Kingen

Request: Vacation of the first north-south alley east of Reisner Street, being 15 feet in width, beginning at the south right-of-way line of Ohio Street, south 180 feet, to the north right-of-way line of Everett Street, with a waiver of the assessment of benefits.

Vacation of the first north-south alley east of Reisner Street, being 15.12 feet in width, beginning at the south right-of-way line of Astor Street, south 56.20 feet, with a waiver of the assessment of benefits.

Waiver Requested: Assessment of Benefits

Current Land Use: Parking/Maneuvering Area for Religious Use

Staff Reviewer: Michael Weigel, Principal Planner I

PETITION HISTORY

8/12/26: A continuance request made by the petitioner was granted to allow them time to obtain demolition permits related to two residences previously removed.

STAFF RECOMMENDATION

Staff finds the **vacation** would be in the public interest and recommends the vacation petition be **approved**. Staff supports the **waiver of the Assessment of Benefits** and recommends **approval** subject to the below commitment.

RECOMMENDED MOTION (approval of waiver request): That the Plat Committee find that the proposed vacation is in the public interest; that a hearing upon the assessment of benefits be waived; that the Plat Committee confirm and ratify the adoption of Declaratory Resolution 2026-VAC-007; that the vacation be subject to the right of public utilities under IC 36-7-3-16; and subject to the following commitment:

That a Regional Center approval petition and Improvement Location Permit be filed retroactively for the expansion of parking area done at 1540 West Ohio Street, 217 & 221 Reisner Street, and within the northern alley within six (6) months of approval of the vacation petition.

PETITION OVERVIEW

SUMMARY

This request involves two alleys in total: the southernmost alley is 180 feet in length and connects Ohio Street and Everett Street between Reisner Street and Koehne Street, and the northernmost alley stub is located to the south of Astor Street (also between Reisner and Koehne). A portion of the alley between the northern alley stub and Ohio Street was previously vacated by the petition 75-VAC-3. Alley to the north of the subject site is improved with gravel and used for access by multiple homes, whereas alley to the south of the subject site is unimproved and does not appear to be regularly utilized for access. An Exhibit showing areas of proposed vacation is within the Exhibits below.

The properties are currently improved with one building to the north of Ohio Street containing a religious use, one accessory building to the south of Ohio Street, and accessory paved parking areas for the religious use on the subject parcels on either side of the alleys seeking vacation. Demolition of a residence and an expansion of parking areas to the south of Ohio Street occurred in 2015. Similarly, the parking areas to the north were expanded in 2023 (see aerial photographs within Exhibits below).

Although a Regional Center approval and Improvement Location Permit were granted for the 2015 expansion, no similar zoning approvals were given for the more recent 2023 expansion of parking areas onto both privately owned parcels as well as into the remaining alley stub. Additionally, no encroachment license applications appear to have been made for the placement of paving within the two existing alleys.

Approval of the vacation petition would allow for the alley areas already paved to be utilized for private function. It would remove the need for a retroactive ENC license but would not impact the need for any retroactive Regional Center or ILP approval on the northern parcel. Given **(a)** the 'stub' nature of the remaining alley to the north; **(b)** the lack of through-connectivity from the alley to the south (which is unimproved and terminates after 1 block); and **(c)** the fact that land on either side of these alleys is jointly owned and already improved with accessory parking areas, staff would agree that a vacation petition to allow for private maintenance to legally continue would be within the public interest and recommends **approval** of the requested vacations.

PROCEDURE

Neither the Division of Planning nor the Plat Committee, Hearing Examiner, nor Metropolitan Development Commission determines how vacated right-of-way is divided. The approval of a vacation petition only eliminates the public right-of-way. The vacation approval does nothing more. A petitioner will not receive a deed or other document of conveyance after the approval of a vacation.

The general rule under Indiana case law is that when a street or highway is vacated or abandoned the title to the land reverts to the abutting property owners. This rule exists by virtue of the fact that the abutting landowner owns to the center of the street or highway subject only to an easement for the public to the use of the street or highway. *Gorby v. McEndarfer* 135 Ind.App. 74, *82, 191 N.E.2d 786, **791 (Ind.App.1963). However, there are possible exceptions to this general rule.

After a vacation of public right-of-way, the County Assessor determines how the vacated right-of-way will be assessed for tax purposes. Petitioners and abutters of the vacated right-of-way should consult their own attorneys for advice regarding the ownership of the vacated right-of way.

ASSESSMENT OF BENEFITS

Staff would note that both alleys are improved with paving, but that it does not appear that these improvements were originally installed by the City in 2015 and 2023, or that there has been City involvement with maintenance of those paved areas since installation. The work appears to have been done by the property owner on either side of the alley, without an encroachment license. Although the Assessment of Benefits waiver would be based upon both the value of the land itself as well as any improvements upon it, the aerial photographs below demonstrate that the property owner has done all installation of paved areas and therefore would have been directly responsible for much of the assessed value of the land and improvements.

Staff would also note that although vacation approval would remove the need for an encroachment license, it would *not* remove the need for Regional Center approval or an Improvement Location Permit for the parking expansion undertaken at the three northern parcels in 2023. Staff would recommend **approval** of the waiver of the assessment of benefits on the condition that a retroactive application for those missing zoning approvals be made within 6 months of approval of the vacation. The petitioner indicated their agreement to this commitment as written above.

GENERAL INFORMATION

Existing Zoning	SU-1 (TOD)	
Existing Land Use	Parking/Maneuvering Area for Religious Use	
Comprehensive Plan	Traditional Neighborhood	
Surrounding Context	<u>Zoning</u>	<u>Land Use</u>
	North: D-8	Residential
	South: I-4 / C-3	Residential / Undeveloped
	East: SU-1 / D-8	Residential / Institutional
	West: D-8 / PK-1	Residential / Park
Thoroughfare Plan		
Astor Street	Local Street	30-foot existing and 48-feet proposed
Ohio Street	Local Street	64-foot existing and 58-feet proposed
Everett Street	Local Street	31-foot existing and 48-feet proposed
Petition Submittal Date	July 7, 2026	

EXHIBITS

1. THE PROPOSED VACATION IS IN THE PUBLIC INTEREST because:

The lots abutting the proposed alley vacations have come under common ownership and have been used in such a way that they are functionally unusable by the general public. Approval of this vacation request would relinquish Any responsibility of the City to improve and or maintain these alleys, allowing for the prioritization of other rights-of-way.
