PETITION OVERVIEW

SITE PLAN AND DESIGN

This 14.892-acre site is undeveloped. This would be plat section two of a larger rezoning of 79.56 acres to the D-4 classification that was approved in 2019. Previous plats were Edgewood Farms Section 1A and 1B, and Section 3 is pending. The proposed layout is generally consistent with the site plan submitted with the rezoning petition.

STREETS

The site would gain access to Edgewood Avenue through existing Sections 1A and 1B. One stub street would be extended into this section and two new local streets would be provided. Two stub streets would be provided for a future section to the west, and a local street connecting to the neighboring subdivision to the north—The Village at New Bethel

SIDEWALKS

Sidewalks are required along all perimeter and interior streets.
