I would like to request a variance to the subdivision Ordinance in Iowa Colony, Texas. I am requesting permission to have two liveable spaces on my property. One would be the primary home for my husband/self. The other would be for my mom. She would have a liveable space next to a shop. My mother moved here from Tennessee and essentially knows no one here in Texas. I am the only child and her sole care giver.

Providing a comfortable living space for her would allow me to offer her essential care and support, promoting her well-being and quality of life. It would enable her to age in place, while maintaining her independence and staying within a familiar community and environment. Living close to family will have a positive effect on her emotional and mental health, reduce feelings of isolation and loneliness. I will be better suited in taking care of and monitoring her healthcare needs by having her on the property.

Thank you for your consideration,

Crystal Pratts
