

**EXECUTIVE COUNCIL OF IOWA LEASE (29
[IOWA DEPARTMENT OF NATURAL RESOURCES]**

The Executive Council of Iowa (Council), upon recommendation of the Iowa Department of Natural Resources (DNR), is authorized by Iowa Code Section 461A.25, to lease public real estate in accordance with a rental fee schedule established in 571 Iowa Administrative Code, Chapter 17.

Whereas Mark Keniston and Brenda J. Keniston, Co-Trustees of the Keniston Revocable Trust (Tenant), 35045 Acorn Falls Lane Emmetsburg, Iowa 50536 has made a proper application for a renewal lease of real estate described as state-owned land. The Tenant's request has been reviewed by the DNR and it has determined that a lease subject to the conditions of this agreement will preserve the state's title and not adversely affect public use of the real estate.

Therefore, the Council leases to the Tenant the following described premises (referred to in these lease terms as "Leased Premises"):

A tract of land approximately 4,000 square feet located in Government Lot 8 of Section 18, Township 96 North, Range 32 West of the 5th P.M., Palo Alto County, Iowa as shown on the attached map marked Exhibit "A".

The Tenant, in consideration of the agreements below, leases from the State of Iowa the Leased Premises, according to the following conditions:

- 1) **TERM OF LEASE.** The term of this lease shall be from November 1, 2024 to October 31, 2029.
- 2) **RENTAL.** The DNR has determined the proposed use to be Non-commercial. The Tenant shall pay annual rent to the DNR at its offices at the 6200 Park Ave., Ste 200, Des Moines, Iowa 50321 or at such place as it may direct, as follows: Annual rent shall be \$248.00 per year. For calendar year 2024, rent shall be prorated to \$41.33 ($\$248.00 \times 2/12$) payable on the date this lease is executed. For calendar years 2025, 2026, 2027, and 2028, the annual rent shall be payable before January 1st of such calendar year. For calendar year 2029, annual rent shall be prorated to \$206.67 ($\$248.00 \times 10/12$) and shall be payable before January 1, 2029. If the IAC571-Chapter 17 Fee Schedule is amended during the term of this lease, the fee shall be adjusted to meet the revised schedule.
- 3) **TENANT'S USE OF THE PREMISES.** Consistent with the limitations described herein, the Tenant agrees during the term of this lease to use and occupy the leased premises only for access to tenant's property. Other uses are prohibited unless authorized by a written amendment to this lease.

4) STRUCTURES.

- a) Only those structures or fills existing on the Leased Premises at the time of execution of this lease are authorized under this lease. The following structures and fills exist on the premises at the time of execution of this lease:

(i) Portion of garage, Portion of Concrete approach, and driveway constructed under permit 93-94

- b) The Tenant shall not materially modify, alter or add to those structures or fills identified herein without first obtaining permission from the DNR, which may require the issuance of a Sovereign Lands construction permit pursuant to Iowa Code section 461A.4 and 571 IAC chapter 13 depending on the extent of such modification or addition. The Tenant also agrees to obtain all necessary permits from other governmental agencies prior to performing any construction on the Leased Premises and comply with any zoning requirements that may apply to their adjacent property.
- c) If the structures described herein deteriorate beyond repair or are otherwise destroyed, regardless of cause, the Tenant must reconstruct, repair or remove such structures, but only after consultation with and written approval by DNR, which may require the issuance of a Sovereign Lands construction permit pursuant to Iowa Code section 461A.4 and 571 IAC chapter 13 depending on the extent of such modification or addition.
- d) General maintenance described in paragraph five (5) below does not constitute a material modification, alteration, or addition for purposes of subparagraphs b and c of this section.

- 5) MAINTENANCE.** The structure(s) described above shall be maintained by the Tenant to keep in good working order. The Tenant shall be responsible to make repairs and adjustments to such structures, if required, to avoid any harm or injury to the public.
- 6) TITLE TO PREMISES.** The Tenant agrees that title of the state of Iowa to the Leased Premises will not be affected by Tenant's occupancy; and any accretion to the Tenant's land resulting from fills, jetties or other structures placed and kept on state-owned real property under the authority of an appropriate permit and this lease shall be the property of the state of Iowa and that the Tenant shall have no accretion rights thereto.
- 7) DEPARTMENT'S USE OF THE PREMISES.** Representatives of the DNR may enter upon the Leased Premises for the purposes of viewing alteration thereof by the Tenant, to inspect compliance with the terms of this lease, or to perform any duties of the DNR.

- 8) **PUBLIC USE OF THE PREMISES.** This lease shall not be construed to give the Tenant exclusive use of the Leased Premises. The right to enter upon the Leased Premises for any lawful purpose is hereby specifically reserved to the public of the state of Iowa. However, this lease is not intended to deny the Tenant the right to exclude the public from using the Leased Premises, or portions thereof, in a manner that poses risk to the public health, safety or welfare by virtue of the Tenant's authorized use or that unreasonably interferes with the Tenant's authorized use.
- 9) **SURRENDER OF PREMISES AT END OF TERM.** At the expiration of the term of this lease and any renewal periods, the Tenant will yield possession of the Leased Premises to the DNR and will, within 90 days after the expiration of the term of this lease, remove all fill, equipment or structures and restore the affected area to an undisturbed condition.
- 10) **AMENDMENT, TRANSFER, ASSIGNMENT, AND SUBLEASE.** This lease may be amended only by written mutual consent of the parties. The Tenant shall not transfer or assign this lease and shall not sublet the Leased Premises or any part thereof except with prior written consent of the DNR.
- 11) **INDEMNIFICATION.** The Tenant agrees to jointly and severally indemnify and hold the State, its agencies, officials and employees harmless from all costs, expenses, losses, claims, damages, liabilities, settlements and judgments, including reasonable value of the time spent by the Attorney General's Office, and the costs and expenses and reasonable attorneys' fees of other counsel required to defend the State of Iowa or the DNR, related to or arising from its acts under this Lease. The Tenant shall be solely responsible and liable for any and all of its actions or inactions, as well of the actions or inactions of its subcontractors, employees, agents, licensees, and invitees, and results thereof, of any nature, which may occur within or upon the Leased Premises or in connection with this Lease.
- 12) **TERMINATION AND DEFAULT OF TENANT.** This lease shall terminate automatically, without notice, on the date specified in numbered Paragraph 1 above. However, the DNR may terminate this lease for material violation of any condition of this lease. Notice of such termination by the DNR shall be given in writing, and the Tenant shall have 30 days after service thereof to remove themselves from the Leased Premises unless a longer period is specified in the notice. If the Tenant, after termination, fails to remove any structure or fill placed on state land under authority of a DNR permit or this lease, the DNR, with assistance from the Attorney General, may bring an action for a court order compelling removal at the Tenant's expense.
- 13) **NOTICES.** All notices provided to be given, or which may be given, by either party to the other shall be deemed to have been fully given when made in writing and deposited in the United States mail, postage prepaid, addressed to the parties as provided above. The address to which the notices shall be mailed to either party may be changed by written

notice given by either party to the other. Nothing in this paragraph shall preclude the giving of any notice by personal service.

- 14) **CONSTRUCTION.** Words and phrases in this document shall be construed as in the singular or plural number and as masculine, feminine or neuter gender according to the context.
- 15) **RENEWAL.** This lease may be renewed if it does not adversely affect a public interest. In the event renewal is desired, the Tenant agrees to apply for renewal of this lease at least 60 days prior to the expiration date.
- 16) **SEVERABILITY.** If any provision of this lease is determined by a court of competent jurisdiction to be invalid or unenforceable, such determination shall not affect the validity or enforceability of any other part or provision of this lease.
- 17) **COMPLIANCE WITH LAWS.** The Tenant shall comply with all applicable federal, state, and local laws, rules, ordinances, regulations and orders in its utilization of the Leased Premises.
- 18) **CHOICE OF LAW AND FORUM.** The parties agree this lease shall be construed solely in accordance with the laws of the State of Iowa, and the parties further agree and acknowledge in the event there are any court proceedings arising out of or in any manner related to this lease such proceedings shall be brought exclusively in the Iowa District Court in and for Polk County with respect to which the parties fully consent to that court's jurisdiction and waive any objections of any sort to such proceedings going forth in that forum. This provision shall not be construed as waiving any immunity to suit or liability including without limitation sovereign immunity which may be available to the DNR or the State of Iowa.
- 19) **ADDITIONAL PROVISIONS.**
 - i) The State of Iowa does not guarantee maintenance of the public access road during the entire year. The road is currently maintained on a seasonal basis. The lessee may remove snow from the access road to benefit access to their property.
 - ii) Structures shall be properly maintained.
 - iii) No additions or changes shall be made to the existing structure or access lane. If the structure or access lane deteriorates beyond repair or is destroyed by natural causes, the structure and access lane may not be rebuilt or replaced on State land and the remnants will need to be removed.
 - iv) The Department may terminate the lease for violation of any of these conditions.
- 20) **ENTIRE AGREEMENT.** This lease constitutes the entire agreement between DNR and the Tenant with respect to the use of the Leased Premises as described here, and the Tenant acknowledges that it is entering into the lease solely on the basis of the terms and conditions herein contained and not in reliance upon any representation, statement, inducement or promise, whether oral or written, not contained herein. This lease

supersedes all prior contracts and agreements between DNR and the Tenant for the use of the Leased Premises.
