Tammy,

Below are all of the vehicles identified as damaged from the 4/14 hail storm that went across the northern and eastern part of the state on 4/14. Can you please have AOS claim #s assigned to each of these as we intend to process them as individual claims to assist with getting reimbursements back as quickly as possible after we've paid for damages?

If you want to reply to this email with the AOS # next to each vehicle that works for me:

Tammy,

As you may have heard, NE Iowa experienced a massive hail storm yesterday evening, 4/14. So far this morning, I've received at least a couple dozen reports of damaged vehicles, many of which will likely be totaled. I expect more to come in within the next 24 hours or so.

I will work for the next several days to compile a full list of all vehicle numbers that were damaged, but I wanted to let you know now for the 24 Hour Act of Nature notification.

I intend to send you 1 single email with all of the vehicles numbers (hopefully by the end of the week), and will reference back to this email as the initial notification.

Let me know if you need more info in the meantime.

Thanks!
